Year 1 Spring 2

A Long Long Time Ago

Bonneville Driver: Communication

As effective communicators, we will…
Be using role play to dramatise characters.
We will be performing music to each other and peer assessing.
Using talk partners to share and modify ideas.

English: Genres and Texts

Writing week incorporating a range of genres.
Traditional tales.
Adding and new character and setting to an existing traditional tale.

Bonneville Driver: Possibilities

As aspirational people, we will…
Be taking on the role of actors, historians and scientists.
Exploring orchestras and the range of instruments that are played.

Bonneville Driver: Enterprise

As enterprising people we will…
Research and investigate within science and present what we have found out to an audience.
We will compose our own music.

Maths: Linked Learning

Measure:
Mass, volume, capacity and time
Calculations:
Multiplication and division.
Worded problems
Geometry:
Fractions of shapes
Place Value:
Using place value to read and write a range of numbers.

Bonneville Driver: Environment

As people concerned with the environment, we will…
Be looking at the ice age and the impact the weather can have on the world.

Trips and Visitors: A trip to The Natural History Museum.

This topic explores Dinosaurs and the Ice Age. It looks at the ice age and how this led to the extinction of the dinosaurs and the rise of the mammals. Children will understand the theories behind dinosaur extinction and how this led to the rise of the mammals. We will research what happened during the ice age and the impacts that it had on life, the planet and the environment.

Year 1 Term - Spring 2

A Long Long Time Ago

As Scientists we will be…

Learning about

- Materials and their properties.
- Sorting materials.
- Looking at the physical properties of materials.
- Knowing the origin of materials.

As Artists we will be…

- Creating a dinosaur using junk modelling.
- To paint and paper mache the models.
- To present our work.

As Geographers we will be…

- Identifying seasons and looking at weather patterns.
- Locating hot and cold areas of the world including the equator, the north and south poles.

As Musicians we will be…

- Listening to and appraising different songs.
- Looking at how to use and play percussion instruments.
- Composing our own piece of music.

As Historians we will be…

- Learning about the ice age and the effects this had on mammals and the Earth in general.
- Researching using texts and the internet.

As Computors we will be…

- Using a range of simple tools such as paint to create and modify a picture.
- Create a digital class resource.
- To save, retrieve and edit our work.
- Discuss e-safety.

Our PSHE Learning:

How to recognise and manage emotions within a range of relationships.
Talking about being caring and discussing the meaning of unity.

Our Spanish learning:

We will be learning shapes and parts of the body. We will also be learning about numbers.

The religion we will study: (Lambeth Agreed Syllabus)
Christianity: Focusing Christian ceremonies such as Baptism. Learning about Easter and Mothering Sunday.

As Athletes we will be…
Learning ball skills such as rolling, throwing and bouncing. We will learn to play as part of a team.
As Dancers we will be…
Performing dances using simple movement patterns.
