The end of another academic year at Bonneville and my first year as substantive Headteacher, what an eventful 11 months it has been. All staff have worked incredibly hard to improve their areas of responsibility with great success and for this I thank you all. Our children have flourished this year from new experiences and the delivery of a broader and richer curriculum. The improved delivery of PE, Music and Spanish have heightened our children's interest and improved their outcomes. Whole school curriculum events have received high engagement from children and been particularly well attended by families and our local community.

I am feeling particularly proud of our children this year who have achieved phenomenal standards in their end of Key Stage assessments. All tests were very different and with significantly higher expectations to previous years, yet our children have exceeded their counterparts, in most areas, in Lambeth and Nationally. Congratulations and well done to our children and thank you to all staff who have supported and taught these cohorts.

So what's next? Unfortunately Lambeth have now fully withdrawn their financial support to improve EYFS and the playground however, we will continue to work hard in achieving the desired outcomes for our children. Our big projects next year, improving EYFS facilities, Sports facilities and the playground. Having begun putting things in motion, I am very excited for the coming year.

Goodbye and thank you to Miss Millward, Mr Tuer and Laura McGinlay (Chair of Governors). We wish them well as they embark on the next stage of their lives.

Finally, have a restful, enjoyable and safe holiday. I look forward to seeing you all on the gate with our new Deputy Headteacher Ms Daly on Monday 5th September at 8.55am (with your new Bonneville school bags).

Ms Parker  
Headteacher

**Music** Next year Musitrax will continue to deliver music lessons for our children however, we have increased our provision to years 3, 4 and 5. They will also be delivering specialist music assembly provision weekly for KS1 and KS2.

Our Rio carnival parade was so much fun! Thank you Miss Napier for organising such a spectacular event.

### Rio Week

I wonder who is under that mask...  
Zashi year 3

**Attendance** Well done to 2M (97.7%) and 6S (97.5%) for the best attendance over the last two weeks!

Rio week work exhibition visited by parents.

**UKS2** This year, the year 6 residential trip was to Blacklands Farm in East Grinstead. Our aim was to seek better value for money and fortunately we succeeded. The children had a tremendous time and couldn't wait to fill me in when I visited mid-week. For most, the highlight was Canoeing, Abseiling and Zip Wire, with the dim light on Kayaking and washing up their own plates and cutlery. They learnt and developed some fundamental life skills and experiences which I know they will treasure and use forever. The week ended, on their return, with a day trip to Chessington on the Thursday and Cinema on Friday. The variety of the week has enabled the involvement and enjoyment of all of our children at some point during this bonanza week fun. Thank you to our parent helper and staff for sourcing, organising and attending the trip.

The Secondary Transfer Meeting will be early next year on Wednesday 14th September 2016, at 4pm, for years 5 and 6.

**EYFS** From September our Reception children will benefit from a more open plan teaching and learning experience. Both classes will be housed in our current Nursery premises, with designated class bases for each. We have ordered new resources to improve the learning experience for each area of learning. Over the holidays the current RS classroom will be refurbished to become the new Nursery classroom and the current RA classroom will be the Phase Leaders Classroom for interventions and will house a sensory space.

### Our Value when we return will be Quality

**Fundraising to improve our playground, Phase 1!** With many development ideas in the pipeline, phase 1 is the installation of a MUGA (multi use games area) in our playground. The delivery and engagement of PE and Sport has gone from strength to strength, we now need a facility that is fit for purpose. We will be working in close conjunction with FAB to raise the funds we need, write bids and apply for grants to make this happen for our children. As ever, your support and engagement will be fundamental. We are still in the process of establishing just how much funds we need to raise, as soon as the design for the project is complete FAB will launch a donations web page where you can make a donation of any size and monitor our pro-
