24<sup>th</sup> January 2017

Dear Parent/Carer

## **Parents for story time needed!**

The week beginning 30<sup>th</sup> January is "Reading Week" for the children in Years 1 and 2. The aim of this week is to further develop an enjoyment and enthusiasm for reading in our children. A love of reading is vital in enabling children to become confident and independent readers.

It would be great if during this week we could have parents reading/telling stories during story time. The children absolutely love to hear stories from different readers and I can promise you that this is a fun and rewarding experience for the parents too!

If you are able to come and read a story at the end of the school day to your child's class, then please talk to your child's class teacher and arrange a day and exact time.

Thank you for your support.
