

Bonneville Driver: Communication

As effective communicators, we will... talk about ourselves, our interests, what we are good at and our families. We will discuss what it means to cooperate and how to work as part of team. We will talk to our peers and listen to their responses.

Year 1 Autumn Term 1

It's Good To Be Me

Bonneville Driver: Enterprise

As enterprising people we will... explore the importance of town planners and geographers; identify the key features that draw tourists to the four countries within the UK.

English: Genres and Texts

Narrative Unit: Stories with familiar settings.

Non-Fiction Unit: Labels, lists and captions.

Poetry Unit: Senses Poems

Bonneville Driver: Possibilities

As aspirational people, we will... explore the vast opportunities for individual success. We will look at our current interests and abilities and where this could lead us.

Maths: Linked Learning

Number: Recognition and ordering.

Geometry: 2D Shapes

Calculations: Properties of adding and subtraction using concrete objects.

Measurement: Using direct comparison.

Bonneville Driver: Environment

As people concerned with the environment, we will... look out our impact on the environment and what we can do to improve the environments we live in.

Trips and Visitors: Walking trip around the local community.

Exit Activity: Celebration day. This is a day celebrating each child's unique individuality; where they are from; their family history and aspirations.

This topic allows children in Year 1 to explore their family backgrounds and the local area. It looks at: where we come from, what our interests are, what our bodies can do, how to keep healthy and the environment we live in. Children will understand that the United Kingdom is a very multicultural place to live in and that people's differences should be celebrated. We will research the four countries in the UK and find out about the key features of a city.

As Scientists we will be...

Learning about ourselves through

- Labelling parts of our body.
- Identifying our senses and their uses.
- Compare our body parts to those of other animals.
- Look at the seasons, focusing on Autumn.

As Design Technologists we will be

- Working in small groups to design and recreate a version of Abbeville road.
- Develop joining and painting skills.

As Artists we will be...

- Look at a range of artists who have created self-portraits and use these to create our own.
- Using a wide range of art and design techniques such as colour, pattern, texture, line, shapes, form and space.

As Geographers we will be...

- Examining our local area and using maps to identify the UK and its countries.
- Using world maps, atlases and globes to identify the UK and its countries.
- Use simple compass directions (North, South, East and West)

As Musicians we will be...

- Using our voices expressively and creatively by singing songs and speaking chants and rhymes.
- Learning a class song about the importance of being unique.
- Experimenting with and creating and combining sounds using pitch.

Year 1 Term 1

It's Good To Be Me

As Computers we will be...

- Using a range of computer programs to develop control using the mouse.
- Using tools to create pictures.
- Learning how to log on and log off. Learning to open and close programs.

As Historians we will be...

- Looking at how the local area has changed over time.

Our PSHE Learning:

- Circle Time
- Road Safety
- Healthy lifestyle
- Quality
- Respect

The religion we will study: Christianity & Islam (Lambeth Agreed Syllabus)

The Natural World:

Christian beliefs about God as a Creator.

The importance of harvest and St. Francis.

Islamic beliefs about Allah, creator of all things.

As Athletes we will be...

Focusing on multi-skills including special awareness, teamwork and ball control.
