

Bonneville Driver: Communication

As effective communicators, we will...use drama to explore Traditional Tales such as 'Anansi Goes to Lunch". The children will use actions to plan and write their own story, using this tale as a model.

English: Genres and Texts

Children will have the opportunity to read traditional tales from around the world.

Bonneville Driver: Possibilities

As aspirational people, we will...explore the variety of jobs offered by the food industry.

Trips and Visitors: Visit to Tesco Supermarket (production and distribution of products).

Exit Activity: International Food Day.

Year 2 Autumn Term 1

Food Glorious Food

Bonneville Driver: Enterprise

As enterprising people we will... raise money during "Jeans for Genes Day" and learn how our support can change people's lives.

Maths: Linked Learning

Money - addition of money and making money totals to buy food at our class shop.

Finding half of food quantities.

Addition and subtraction problems.

Bonneville Driver: Environment

As people concerned with the environment, we will... explore the process of composting and minimising food waste.

This topic explores the importance of healthy living. Children will learn about healthy eating, food groups, water intake and the importance of exercise. Children will also learn about different cuisines from around the world and have various opportunities to try some of these. This will be a tasty topic for all to enjoy!

As Scientists we will...

- Identify some types of food that makes up their diet, name examples of each
- Recognise that adequate diet & exercise are necessary for them to grow & stay healthy
- Recognise that animals produce young
- Describe how their diet is balanced

As Design Technologists we will...

- Use the basic principles for a healthy and varied diet to prepare dishes.

As Geographers we will be...

- Using world maps, atlas' and globes to identify countries, continents and oceans

As Home Learners you could...

- Visit a local city farm OR go further afield!
- Help prepare healthy meals at home.
- Go to the local library and find information books about food and explore traditional tales from around the world.
- Practise a new form of exercise. How does it make you feel?

As Musicians we will be...

- Singing songs about food

As Computers we will be...

- Generating our own work, combining text, graphics and sound. Saving, retrieving and editing our own work.

As Athletes and gymnasts we will...

- Master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and coordination.
- We will participate in team games, developing simple tactics for attacking and defending.

Our SMSC Learning:

Our values this term will be co-operation and tolerance.

The religion we will study: (Lambeth Agreed Syllabus)

Children will learn about Islam. This will include the parts of a mosque, the call to prayer and the celebrations of Eid ul Adha and Eid ul Fitr.

The language we will study: (Spanish)

We will be learning Spanish greetings.
