

Bonneville Driver: Communication

As effective communicators, we will use drama to explore different versions and different international settings of the Cinderella story.

Literacy: Genres and Texts

Stories from different cultures-Cinderella

Poetry from different cultures

Bonneville Driver: Possibilities

As aspirational people, we will find out how individuals have helped to influence and change our thoughts and attitudes towards different cultures.

Trips and Visitors: Saatchi gallery- Hundertwasser
Visit Natural History Museum to look at evolution

Exit Activity: International dishes and costumes feast

Year 5 Autumn Term 1

Red, White and Blue

Bonneville Driver: Enterprise

As enterprising people we will research how technology can help us make the most of our environment through the use of wind turbines, Thames Barrier and solar panels. We will construct our own models

Numeracy: Linked Learning

Place value, ordering, rounding and sequencing numbers.

3D shapes of buildings, ordering heights of mountains and river lengths

Bonneville Driver: Environment

As people concerned with the environment we will explore and draw how humans have changed the face of the earth using paintings by the artist Hundertwasser as inspiration

This topic explores the different cultures of Great Britain. It looks at the history of races and their physical and human changes. Children will understand the impact of climactic and geographical changes on peoples' lives. They will research how technology can make the best use of the natural environment.

As Scientists we will be...

Learning about the different life cycles of humans and animals

- Describe the changes as humans develop to old age

As Design Technologists we will be

- Exploring foods from different cultures

As Artists we will be...

- Looking at the work of Hundertwasser
- Using different mediums to reproduce our own versions of buildings in his style

As Geographers we will be...

- Locating the UK on a world map and its major cities
- Identifying physical and human features

Year 5 Autumn Term 1

Red, White and Blue

As Musicians we will be...

- Learning songs with fluency, control and accuracy

As Historians we will be...

- Looking at how man has changed landscapes over time

As Computers we will be...

- Investigate multimedia presentations online that include text, images, sound and video and identify feature
- Experiment with adding sound and video to a presentation
- Experiment with adding text to a presentation using bullet points, text boxes, tables and animations

Our SMSC Learning:

- We will be learning how to co-operate and work together
- Identifying differences between cultures, gender and abilities

Our Spanish learning:

- To say and understand vocabulary about members of the family including their names and ages

The religion we will study: Christianity

- Places of worship for Christians and what makes it important for them

As Athletes we will be

- Learning to play football

As Swimmers (5H)s we will be...

- Developing our strokes and perfecting our technique
