

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Friday 19th May 2017

Dear Parents / Carers

Creativity Week
CREATIVITY
26th – 30th June 2017

At Bonneville, in the week commencing Monday 26th June 2017, we will be coming off our regular curriculum timetable and enjoying a Creativity Week. During the week the children will be immersed in all things creative in the hope to create final masterpieces that can become cherished artwork within our school environment. The week will culminate in an open gallery for family and friends to visit and enjoy on Friday 30th June 2.45 to 3.45.

Within the week all children will benefit from a range of hands on creative activities as well as linked external trips and visitors. Please look out for further information on trips nearer the time.

I would also like to inspire the children creatively by the opportunities available to them in the wider world and this is where I would like to call on our wonderful friends and family members of Bonneville. Do you yourself or do you know anyone that would be able to offer their help that week? This may be in any nature you feel comfortable with – sending in examples of creative work with your child, allowing us to put work up on a display to inspire the children or coming in and sharing your knowledge and experience either with a small group, a class or even an assembly. If you feel happy to offer anything please could you let me know on the below slip.

Many thanks in advance.
Yours sincerely

Miss Napier
Creative Curriculum Leader

I am able to offer help during Creativity Week (please write a brief description of how)

Name: _____

Child's Name & Class: _____
