

Bonneville Driver: Communication

As effective communicators, we will...

- Discuss concepts in small groups.
- Present news about our learning to the class.
- Work on speaking and listening skills through small group presentations.
- Film a dinosaur report and take on the role of a reporter.

Year One Spring Term 1

A Long Long Time Ago

Part 1

Bonneville Driver: Enterprise

As enterprising people we will... Make models of dinosaurs for a museum.

Maths: Linked Learning

Measurement:

Money

Geometry:

3D shapes.

Number/Place Value:

Counting on and back in 1's, 2's and 10's. Finding more and less than a given number.

Addition/Subtraction:

Addition and subtraction using hundred squares and number lines
Word problems.

Fractions:

Half of shapes and numbers.

English: Genres and Texts

Non - Fiction -

Recounts

Reports

Information texts.

Use of dictionaries.

Bonneville Driver: Possibilities

As aspirational people, we will... be researchers and palaeontologists.

We will learn about the role of these professions and take part in activities that use these skills.

Trips and Visitors:

The Church of the Holy Spirit in Spring 1.

The Natural History Museum in Spring 2.

Bonneville Driver: Environment

As people concerned with the environment, we will...

Look at the effects of winter on animals and their environments.

Eco warriors will continue to monitor the school environment.

This topic explores Dinosaurs. It looks at: What dinosaurs were and what they did on our planet. Children will understand that dinosaurs lived a long time and ago and that extensive research and science have resulted in us finding out about their existence. Children will learn about non-fiction text, how to conduct research and record their findings in written and verbal ways. They will also have the chance to learn what it is like to be a palaeontologist.

As Scientists we will be...

Learning about Animals and the season of Winter.

We will

- Identify and name a variety of common animals.
- Identify their habitats and characteristics.
- Learn about and apply the terms herbivore, omnivore and carnivore.
- Observe and identify features of Winter.
- Learn about animals and their behaviours in Winter.

In Design and Technology we will be...

- Exploring different ways of construction.
- Using and exploring clay.
- Learning the different skills needed to work with clay.
- Designing and making dinosaurs out of clay.

As Historians we will be...

- Finding out about dinosaurs.
- Researching different types of dinosaurs and writing interesting facts.
- We will learn what life was like a long long time ago.
- Becoming palaeontologists for the day.

Year One - Spring Term 1

'A Long Long Time Ago'

As Musicians we will be...

- Learning musicianship through singing.
- Learning focus songs.
- Learning the dimensions of music such as pulse, texture, dynamics, rhythm, pitch, etc.
- Writing our own songs.

As Computers we will be...

- Learning how to use technology safely and respectfully.
- Learn how to write algorithms.
- Programme algorithms into a BeeBot and then edit them.
- Understand and use positional and directional language.

The religion we will study:

Christianity: Special Occasions: Baptism and Naming.
(Lambeth Agreed Syllabus)
Christening/infant baptism, symbolism or words, clothes, actions and artefacts.

PSHE:

Circle Time

Values: freedom and love.

As Sportsmen and women we will be...

Mastering our hand eye coordination and practicing our ball skills through throwing and catching.

We will be taking part in Multi skill activities where we will be developing the skills needed to work as a team.
