Dr Bike at Bonneville Primary School

Dear Parent/Guardian,

As part of the Bike It Project, **Dr Bike** will be visiting Bonneville Primary School on Tuesday 6th March 2018 to carry out **free bike checks** and **basic bike maintenance** on student's bikes.

This is a great opportunity to get your child's bike checked out and make sure it's roadworthy. Dr Bike will be testing every part of the bike and also carrying out minor fixes, such as tightening and adjusting brakes.

- Bring the bike in on the morning of Tuesday 6th March 2018.
- Please leave the bike at the bike shed before school.
- **Leave the bike unlocked.**
- Bikes will be seen on a first come, first served basis. We can guarantee we will get through about 30 bikes, and hopefully a few more.
- If possible, label the bike with your child's name

Best wishes,

Binah Cooper
