Dear Parents and Carers,

## Year 6 Activity Days

Please find attached a letter about a series of exciting days that have been arranged for Year 6 during the summer term.

We do not want to leave any child behind during these exciting trip days; however there have been a number of issues with the behaviour of some Year 6 children during recent weeks. If your child is responsible for disrupting the learning of others, being disrespectful to adults in school, aggressive or violent play or using inappropriate language, we will have no choice but to apply Bonneville's behaviour policy and exclude your child from some or all of the trips listed above. In this – extreme – instance, you will be called into school before the trips commence and the situation will be explained to both you and your child. Please note, any and all children on report during the time of the trips will automatically be excluded from the activity days.

In order to prevent this occurring, please speak to your child about his/ her behaviour between now and the trip and we will continue to do the same. This situation is being closely monitored by SLT and we hope that the key individuals responsible for these disruptions will rectify their behaviour so that they can enjoy their last terms at Bonneville and allow others to do the same.

If you have any concerns or queries about your child's behaviour, please let either me, or your child's class teacher know. We will be happy to discuss this with you.

Yours sincerely,

**Miss McIntosh**
