

BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Friday 16th March 2018

Dear Parent/Carer

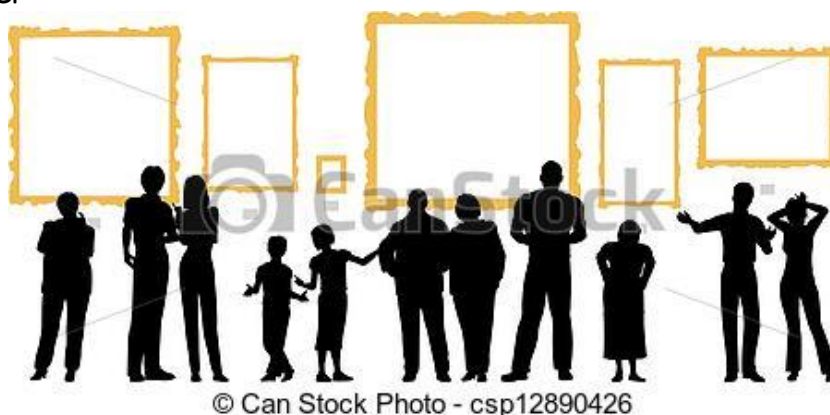

As you know the children were asked to complete homework relating to their topic this half term. These were bigger projects for children to work on over a few weeks with the aim of it being a practical, fun way of enhancing learning at school. Children in Year 1 have continued their topic of "A Long Long Time Ago", but if your child has continued to make/investigate dinosaurs and the Ice Age, then please can children bring in their projects.

Please could children bring their projects into school on Monday 26th March and we will put them on display in the Infant Hall. Children will be able to admire the work of their friends during the afternoon of Monday 26th March and parents are invited to view the exhibition from 3.15pm onwards on this Thursday.

Thank you for your support.

Yours sincerely

M. Auton
KS1 Senior Teacher
