## **Sports Relief Brain Train Event**

Dear Parents/Carers

As you may know, next week marks the beginning of Sport Relief week across the country. In a bid to raise money to support the Sport Relief effort, Bonneville children will be taking part in an event called '**Brain Train**'.

The event will take place on **Thursday 22<sup>nd</sup> March 2018** and will involve a series of challenges for the children to complete. We thought it would be a good idea to combine our children's love of sport with their passion for reading. The resulting event will require the children in each class to read sets of instructions, in order to carry out a range of known physical activities from their P.E sessions.

There will be 3 stages of difficulty as the challenge progresses, which children can be sponsored to complete.

- Stage 1 = 10 instructions to read and follow without stopping
- Stage 2 = 10 instructions to read and follow without stopping, slightly faster
- Stage 3 = 5 instructions to read and follow without stopping of increasing difficulty

Sponsorship can be;

- A set amount for completing each stage
- A set amount for getting to the end of all 3 stages

As every class will take part in the event (irrespective of whether children have collected sponsorship or not) we would ask that you ensure that your child has their P.E kit with them on the day.

The official Sports Relief sponsorship form is attached and all monies should be returned to the school office **no later than Tuesday, 27<sup>th</sup> March 2018**.

If you have any questions or you would like more information, please do not hesitate to contact the school office or myself.

Kind regards,

Lorna Hendricks  
Year 5 Class Teacher & Reading Lead
