## **'Bring a Male to School Day'- Friday 15<sup>th</sup> June**

Dear Parents and Carers

Bonneville will be hosting a 'Bring a Male to School Day' next Friday and we will be organizing a series of events to engage and inspire our children involving male members of our school community.

Our Year 4 to Year 6 children will be meeting and talking to a range of male visitors invited into school discussing the different jobs/ professions that they do. Pupils will have an opportunity to 'interview' the adults and ask questions about their jobs and how they got to where they are today. This will hopefully inspire many of our children to think about different career options in the future. If you would be interested in coming in to talk to the children, please contact Mr Connelly or Miss McAndrew by Tuesday 12<sup>th</sup> June. There will be a limit to the number of adults we can invite into school, so please get in touch as soon as you can if interested.

Our local MP, Chuka Umunna, will also be visiting Bonneville next Friday to host an assembly outlining his role as an MP and to talk about his life journey to date. This will be for the children only.

Between 2.30pm-3.30pm in the KS1 hall, we will be holding a workshop for all dad's and male carers to work on a giant piece of artwork which will go on display in school focusing on 'Aspirations for the Future'. Snacks and refreshments will also be provided. Adults will be able to collect children from class from 2.30pm onwards to work on the project with their child/children. We hope that you will be able to join us and make this event a huge success.

Yours sincerely

Mr F. Connelly

Assistant Head teacher- Inclusion
