Success for today, prepared for tomorrow

Monday 2<sup>nd</sup> July 2018

**Brixton Park Community Greenhouses Trip**  
**Wednesday 11<sup>th</sup> July**

Dear Parents and carers,

This term we have been learning about growing and learning about how plants grow. We have arranged a trip to Brockwell Park Community Greenhouse on Wednesday 11th July to consolidate the children's learning. Each class will take part in an organised one-hour session, with one class starting at 10.30am and the second class starting at 11.30am. Both classes will have finished the sessions at 12.30pm and we are planning on joining together and enjoying a Reception picnic. We would welcome as many of you that would like to join for the picnic, please feel free to bring family and any younger siblings, the more the merrier!

FAB is kindly funding the cost of the trip. Each child will be responsible for carrying their own packed lunch and so please bring a small backpack for your child to carry their belongings. Your child can wear a pair of shorts of choice with their Bonneville t-shirt. Please bring a spare pair of clothes or a swimsuit for playing in the paddling pool. We advise that your child is covered in sun cream and they bring lots of water, a sun hat and sunglasses.

We need at least four parents/carers from each class to travel from school to Brockwell Park on the bus and to return with us to school. If you are available, please speak to your class teacher, as we will be unable to travel without additional support. We are happy to meet the rest of you at the entrance to the Community Gardens at 12.20pm and we can walk to a shaded area together to eat lunch. We are hoping the children can enjoy some time in the children's park and at the paddling pool after lunch. We will leave the park and return to school at 2.30pm.

We look forward to a beautiful sunny day in the park full of lots of game and fun!

Miss Boyle
