

### Bonneville Driver: Communication

As effective communicators, we will be writing reports about the Caribbean. We will be acting out scenes from the Caribbean.

Year 4 Autumn Term 1

# The Caribbean

### Bonneville Driver: Enterprise

As enterprising people we will design and make Caribbean food for a sale.

### Literacy: Genres and Texts

Traditional stories  
Non-chronological reports  
Letters

### Numeracy: Linked Learning

Number & Place Value  
Addition & Subtraction  
Multiplication & Division  
Fractions (including decimals)  
Measurement  
Properties of Shape  
Position & Direction  
Statistics

### Bonneville Driver: Possibilities

As aspirational people, we will be chefs creating tasty Caribbean menus.

Trips and Visitors: Visits to the Science Museum. Visit Rev. Ruth at Church of the Holy Spirit.

Exit Activity: Caribbean Theme Day with a Caribbean Carnival

### Bonneville Driver: Environment

As people concerned with the environment, we will investigate the impact of humans on the landscape of the Caribbean.

This topic explores all things Caribbean focusing on geography and culture of the area. It looks at the geography of the Caribbean, including the landscape and its effect on the people who live there. Children will understand how life in the Caribbean differs from and is similar to life in the UK. They will research aspects of the Caribbean in order to write reports. If you have any expertise about the Caribbean that you would like to share with us please speak to next year's class teacher.

### **As Scientists we will be...**

Learning about food chains and the human digestive system through:

- Making a model of a digestive system
- Sorting animals into carnivores, herbivores and omnivores
