

Bonneville Driver: Communication

**As effective communicators, we will...** talk about ourselves, our interests, what we are good at and our families. We will discuss what it means to cooperate and how to work as part of team. We will talk to our peers and listen to their responses.

Literacy: Genres and Texts

**Narrative Unit:** Stories with familiar settings. We will use Talk for Writing to learn a story.

**Poetry Unit:** Poems. We will write senses poems after having explored senses first.

Bonneville Driver: Possibilities

**As aspirational people, we will...** explore the vast opportunities for individual success. We will look at our current interests and abilities and where this could lead us.

Year 1 Autumn Term 1

# It's Good To Be Me

Bonneville Driver: Enterprise

**As enterprising people we will...** explore the importance of town planners. We will look at what is in our local and discuss why they are needed. We will look at the restaurants and cafes on Abbeville Road and why they are there.

Numeracy: Linked Learning

**Number:** Recognition and ordering.

**Geometry:** 2D Shapes

**Calculations:** Properties of adding and subtraction using concrete objects.

**Measurement:** Using direct comparison.

Trips and Visitors: Walking trip around the local community,

Exit Activity: Celebration day. This is a day celebrating each child's unique individuality; where they are from; their family history and aspirations.

Bonneville Driver: Environment

**As people concerned with the environment, we will...** look out our impact on the environment and what we can do to improve the environments we live in.

This topic allows children in Year 1 to explore their family backgrounds and the local area. It looks at: where we come from, what our interests are, what our bodies can do, how to keep healthy and the environment we live in. Children will understand that the United Kingdom is a very multicultural place to live in and that people's differences should be celebrated. We will research the four countries in the UK and find out about the key features of a city.

### As Scientists we will be...

Learning about ourselves through

- Labelling parts of our body.
- Identifying our senses and their uses.
- Compare our body parts to those of other animals.
- Look at the seasons, focusing on Autumn.

### As Artists we will be...

- Creating a self-portrait by using mirrors to look at our skin tone and features.
- Looking at a range of collage and learning how to use different shades to create a picture.
- To use different colours and shades of paper to create a self-portrait using collage.

### As Geographers we will be...

- Examining our local area and using maps to identify the UK and its countries.
- Using world maps, atlases and globes to identify the UK and its countries.
- Use simple compass directions (North, South, East and West)

### As Musicians we will be...

- Using our voices expressively and creatively by singing songs and speaking chants and rhymes.
- Learning a class song about the importance of being unique.
- Learning about and exploring pulse, rhythm and pitch.

## Year 1 Term 1

### It's Good To Be Me

### As Computers we will be...

- Using a range of computer programs to develop control using the mouse.
- Learning about how we communicate with people, including people from around the world.
- Learning about electronic forms of communication.
- Learning how to log on and log off. Learning to open and close programs.

### As Historians we will be...

- Looking at how the local area has changed over time.
- Using pictures as an historical source.

### As Athletes we will be...

Learning different ball skills and developing spatial awareness.

Our PSHE Learning:  
Circle Time  
Road Safety  
Healthy lifestyle.  
Quality  
Respect

**The religion we will study:** Christianity & Islam  
(Lambeth Agreed Syllabus)

#### The Natural World:

Christian beliefs about God as a Creator.

The importance of harvest and St. Francis.

Islamic beliefs about Allah, creator of all things.
