

# BONNEVILLE PRIMARY SCHOOL

Success for today, prepared for tomorrow

Wednesday 31<sup>st</sup> October 2018

Dear Parents/Carers,

## **Assessment Workshops Years 1 - 6**

In response to parent questions regarding the assessment tool and attainment indicators that the school uses, there will be 2 parent workshops held in November. By attending the workshops, you will be able to find out about your child's attainment in reading, writing, Maths and Science, as compared to national expectations for their year group.

We will also be offering tips on how you can further support your child's learning, so that they can reach the age related expectation and, where possible, exceed expectation for their year group.

The date, times and location of the workshops are listed below. Please can you indicate on the response slip the necessary details to help us prepare accurately for the number of parents who will be attending each workshop. We look forward to seeing you.

**Thursday 8<sup>th</sup> November 2018** at **9:15am** and **2.30pm** in the Top Hall
