Anti-Bullying Week and Parent Anti-Cyberbullying Workshops

Dear Parents and Carers

Next week is 'Anti-Bullying Week' in school with the theme 'Choose Respect'. We will be holding a series of events, activities and workshops to help children develop a clear understanding of what bullying is and how we can overcome problems around this issue.

On Monday 12th November, we are having '**Odd Socks Day**'. We ask that all children come to school wearing odd socks, the brighter the better! Please do not feel the need to buy new socks, just use items that you already have. This will help us represent the fact that we are all different and this is something to celebrate.

For ONLY KS1 and KS2 Parents/Carers

In addition to the activities we are organising for the children in school, we are also hosting two parent/ carer workshops around the issues of Cyber-bullying and how we can help prevent this happening to children. These will be taking place on Thursday 15th November for parents/ carers of children in KS2 and Thursday 22nd November for KS1. Both workshops will be held in the top hall at 3.30pm. If you are interested in either, please can you complete and return the slip below to the school reception desk, highlighting which workshop you would like to attend.

Yours sincerely

Mr. Frank Connelly
Senior Assistant Head teacher-Inclusion
