

# THE BONNEVILLE BUZZ

**Friday 23rd November 2018**

Well done to all classes who performed their class assemblies recently. Thank you to all parents, carers and friends for coming along and providing us with an audience.

I am seeking the support of a very core group of parents with valuable skills to function as volunteers for a 'Bid Writing Working Group'. If you have experience and want to get involved, please leave your name, child/ren name, and email address for my attention with the administrative team and I will get back to you.

For quite some time we have had the desire to adopt a more paperless approach to communicating with you. To move this along we will be trialling this in years 1, 3 and 6 from Monday 3rd December. To support you by testing the email address we have for you, I will be sending out an email to all parents in years 1, 3 and 6 on Monday 26th November. If you do not receive the email please ensure you update your information with the administrative team by the end of the week.

To really drive the 'Possibilities' agenda of our curriculum, every term we would like to host 'Aim High' events for our children, where they get to meet a variety of industry workers from our community. Providing an opportunity for small groups of children (6) to speak with you about what you do. The struggle is harder if children can't see what they want to be, so we will be sending out a survey to find out the vast skills and experience we have within our own community. We would very much appreciate your willingness to support our children to see the possibilities there are out there for them. So, I'm calling out to you, if you love what you do and want to share this passion, please fill in the survey that you will receive on Monday 26th November by email. We will be collating the responses on Friday 7th December.

Thank you to all parents who attended our E-Safety workshop. Parents have shared how useful and informative the session was. Thank you to Mr McIntosh for delivering such an important workshop to support our parents in keeping our children safe online.

Ms A. Parker  
Headteacher

## School council

This term School Council will be promoting E-Safety and Litter Picking. Look out for their posters around the school!

## Read, Read, Read!

We would like to maximise the opportunities our children have to read to an adult. If you have any spare time at all, and would like to offer us some support by becoming a volunteer reader, please leave your contact information at the office for the attention of Ms Daly who will get back to you.

## LKS2

Year 3 will be going on their Thames City Cruise on Wednesday 28<sup>th</sup> November. Please ensure that your child is appropriately dressed for the weather.

### Please, Please, Please!

All parents of year 3 and 4 children it is imperative that you stay off the 'Meadow' (grassed area) in the mornings as the children are trying SO hard to line up 'ready to learn'. Please say good bye to your children before they line up as these interactions can be distracting and spoil the classes team effort for having the best line.

## House Points

Congratulations to Blue Kingfishers who are in lead so far this term.

Children are working as a team across the school to demonstrate exceptional manners, respect, positive attitude to learning and kindness to everyone.

**UKS2** It has been a busy couple of weeks for UKS2. After successfully performing their class assemblies, the children have been continuing to learn across the curriculum. We are combining for the children's end of term music performance. There will be a joint concert for Years 4-6 on Tuesday 4<sup>th</sup> December at 2:30pm. We hope to see you there. Tesco Clapham South are holding a food drive next week. Some of our children will be going to help to collect donations. If you have any items that you would like to donate, please send them into school and we will pass them along to Clapham Park food bank.

### We still need your Lego

#### Request for pre-loved Lego!

We desperately need any unwanted pieces of Lego to help develop our children's communication, concentration and fine motor skills, through Lego Therapy. Please leave donations at the office for Mr Connelly's attention. Thank you

## KS1

Thanks to all the parents that attended phonics workshops.

London Fire brigade came in to talk to year 2 about fire safety, an important skill for life.
