Success for today, prepared for tomorrow

America Day

Friday 7th December 2018

Dear Parents and Carers,

This term, the children's topic has been Route 66 and they have been learning about the geography of different parts of the USA and how this differs to the UK. They have also found out about prominent figures from American History and they are making models of American landmarks in Computing and DT.

To celebrate everything that they have learnt, we are going to have an America Day in Year 6, on **Thursday 13th December 2018**, when we will celebrate all things America! The children will take part in traditional American dances, find out about American Independence Day and make American crafts. The day will end with a celebratory American pot luck dinner.

As part of the day, we would like the children to come to school dressed according to our American theme. They could wear the clothes of an American Footballer or Baseball player, or Basketball player; a traditional cowboy/ girl costume or come dressed as a significant (and recognisable) person from American history.

We would also like the children to bring in something to share for our American feast. This should be a food item that is easy to share and is part of American cuisine. Items such as American fruit pies, cookies, chicken wings, cornbread and waffles are just a few ideas.

Get your thinking caps on and get ready to celebrate. We look forward to enjoying the day with you.

Yours sincerely,

Zenia McIntosh
Assistant Headteacher
