

BONNEVILLE PRIMARY SCHOOL

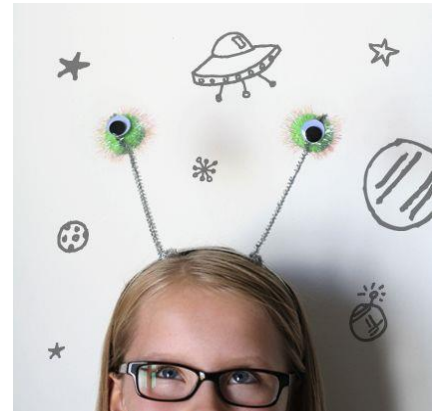

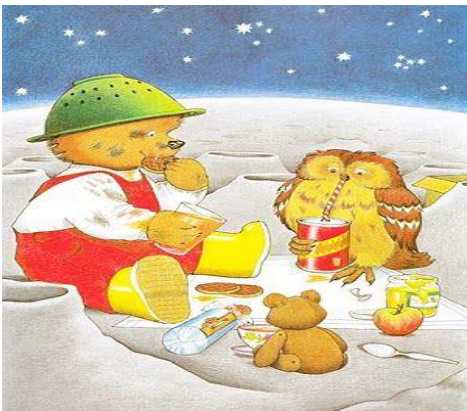

Success for today, prepared for tomorrow

Tuesday 8th January 2019

Dear Children of Early Years,

You are invited to a picnic on the moon! Please come prepared for a trip into space on **Friday 11th January**. During the first week of term we are focusing our learning on the story 'Whatever next and in this story baby bear travels to the moon for a picnic, let's go with him!

For this day we would love you to dress up in your best space themed attire (black and grey clothes!) Parents/Carers please do not buy any special fancy dress outfits! You could even dress up as baby bear.

We look forward to our adventure to the moon with you.

The EYFS Team.
