KS1 Maths Workshop

Dear Parent/Carer,

You are invited to attend a Maths workshop on Thursday 14th February at 3:30pm.

I would like to use this workshop as an opportunity to explain how we are developing our teaching of Maths at Bonneville. It will be a chance to see what we do in class, as well as getting some tips on how you can help embed Maths learning at home.

I look forward to seeing as many parents as possible.

Thank you for your support
