

BONNEVILLE

PRIMARY SCHOOL

Success for today, prepared for tomorrow

Tuesday 26th March 2019

Dear Parents/Carers,

As part of our learning on 'healthy eating week' we would love to introduce the children in early years to a wide range of 'rainbow' fruits and vegetables.

If possible, please could you donate a fruit or vegetable to your class teacher on **Wednesday the 3rd of April** so that we can carry out a tasting afternoon. We will discuss the benefits of each fruit and vegetable, how it grows and different ways of cooking it.

Thank you for your co-operation,

The EYFS Team.
