

### Bonneville Driver: Communication

As effective **communicators**, we will use our sequencing skills to help us re-tell stories in order.

### English: Genres and Texts

We will be focusing on the story of 'How the Elephant got his trunk'. We will be using this to create our own stories. In grammar we will be learning about adjectives, nouns, verbs, adverbs, conjunctions, the use of past and present tense and punctuation.

### Year 2 Summer Term 1

# Location, location, location

### Bonneville Driver: Enterprise

As **enterprising** people we will raise awareness and money to support a community in Nepal.

### Topic Vocabulary:

Continent  
Country  
City  
Feature  
Compare  
Culture

### Maths: Linked Learning

Place value  
Addition  
Subtraction  
Multiplication  
Division  
Measurement (Mass)  
Geometry  
Statistics  
Fractions  
Applying to worded problems  
Time

### Bonneville Driver: Possibilities

As **aspirational** people, we will learn about a scientist who works in conservation.

Trips and Visitors: A trip to support our Science learning looking at seed dispersal.

### Bonneville Driver: Environment

As **people concerned with the environment**, we will learn about the important role that plants play in the environment and the impact of deforestation.

This topic explores the similarities and differences between England and Nepal.

Children will use maps, globes and atlases to investigate the physical and human features associated with each.

### **As Scientists we will be...**

Learning about plants through:

- Observing the conditions of how seeds grow.
- Observing and noting the ways that plants change as they grow.
- Looking at plant lifecycles and seed dispersal.

### **As Musicians we will be...**

- Learn to play the glockenspiel and read musical notation.

### **Our SMSC Learning:**

- Our values for April and May will be Unity and Trust.

### **As Artists we will be...**

- Creating digital art by using photography.
- We will collect resources from nature to create transient art.
- We will create a collage using our digital images.

### **As Geographers we will be...**

- Learning about the human and physical features of the local area and Nepal.
- We will use maps, globes and atlases to identify countries, continents and oceans around the world.
- We will learn how to use North, South, East and West to describe the position.

**Year 2 Summer Term 1**

# **Location, location, location.**

### **As Computers we will be...**

- Using Data Handling: Collecting, Analysing, Evaluating and Presenting Data linked to Nepal.

### **As Athletes we will be...**

- Using bat and ball skills.
- We will develop hand and eye co-ordination.
- We will develop our team skills.

### **The religion we will study:**

**(Lambeth Agreed Syllabus)**

Hinduism. We will learn about living as a Hindu.
