

# THE BONNEVILLE BUZZ

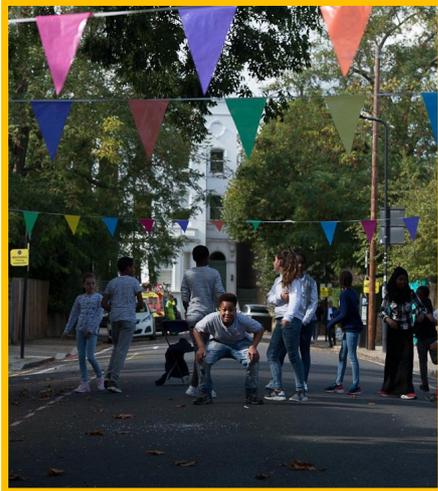

Thursday 5th October 2017

Last week's Road Closure event marked the end of our annual Well-being week focus and was a tremendous success. We all enjoyed taking over the road space from cars for the day to reduce the local pollution around our school. There was story telling, maths games, PE lessons, art, road safety lessons, bike and scooter games and a slow bike race.

## Road Closure Day

I am pleased to share that after a successful selection process we have recruited two new members of staff. Mr McIntosh, who will be joining us on Monday 9th October as our First Line IT Technician, will be supporting computing lessons, running after school clubs and parent workshops as well as maintaining and developing the school's IT infrastructure. Mr McIntosh is passionate about e-safety and looks forward to supporting our community in keeping our children safe on-line. Mr Wright will be joining us as our new Sports Coach after half term. Mr Wright has extensive school based experience and will further develop the school's internal and external engagement with Sport and Physical Education. Mr Wright is passionate about competitive sport and skill development and looks forward to supporting our children to enjoy and grow in sport. We are very excited to welcome them both to the team!

## Dates for the diary

### Open Morning (visiting parents)

Wednesday, 11th October

### Caterlink Caribbean Cuisine

Tuesday 17th October

### Parent Consultations

Wednesday, 18th & Thursday 19th

October

### End of Half Term

Friday 20th October, 3.15pm

### INSET Day

Monday 30th October

### Return

Tuesday 31st October

Ms A. Parker

Headteacher

Sharing  
our practice,  
Celebrating  
our successes!

## October Value Tolerance

LSP @LSP\_Lambeth · 3d  
Thanks to Andrea Parker for sharing your successes @bonnevilleps with the headteachers of the LSP  
#strongertogether

Thank you to Lambeth Schools Partnership (a collaboration of 83 Lambeth Schools) for inviting us to share our 2017 SATs results and journey to success. With 20% of our children achieving a high standard in Reading, Writing and Maths (11% above National), challenging our children has become a real strength of our school. To see how we compare to National and Lambeth, please visit the school's website.

## Keeping Children Safe At Bonneville

Bonneville Primary School is committed to providing a secure environment for pupils, where children feel safe and are kept safe.

In liaising with parents and carers, we will ensure that you are reminded that Bonneville has a duty to report concerns that we may have over the safety or well being of a pupil as part of our statutory duties to protect children from significant harm and/or neglect. Parents and carers are also reminded that, where appropriate, any referral will be discussed with parents and carers before the referral is made. However parents and carers will not be contacted nor will the referral be discussed where it is felt that to do so will place the child at an increased risk of harm. In any event parents and carers are reminded that all referrals are made in the best interest of the child.

**A full copy of our Safeguarding Policy is on our school web site, or is available through the school office.**

## Attendance

**Congratulations to 1T (99.6%) and 3C (99.4%) for the best attendance over the last two weeks.**

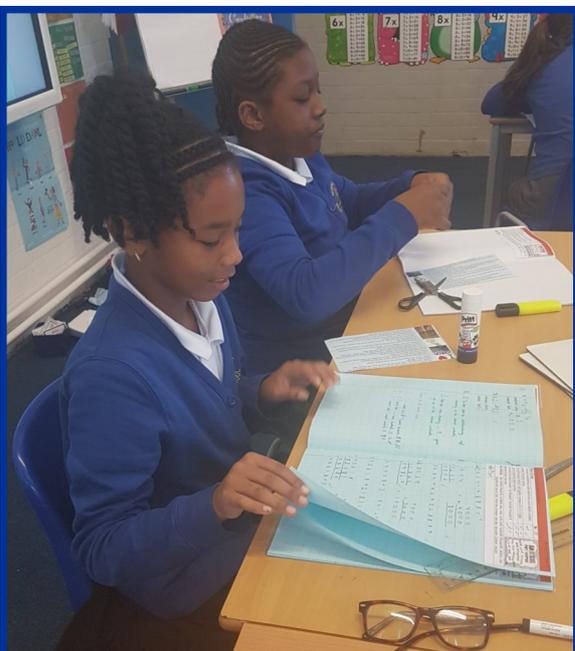

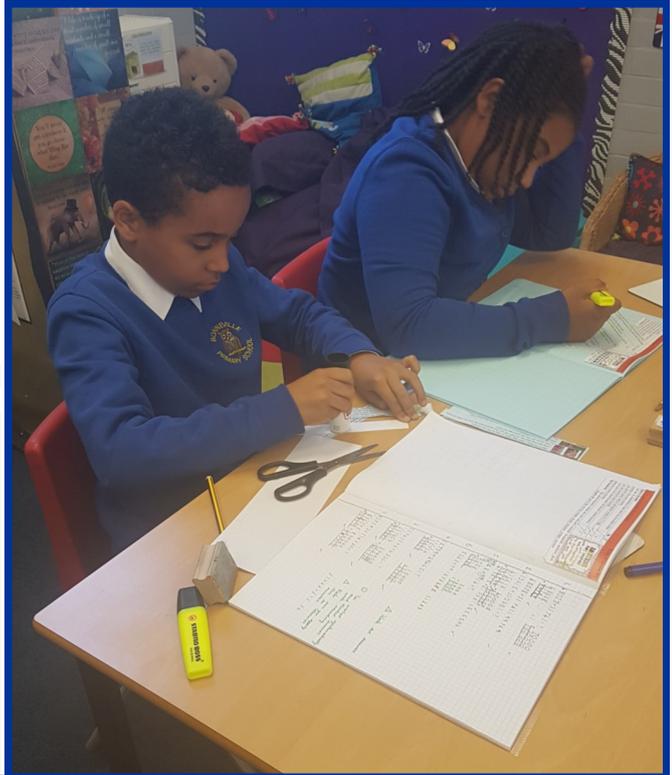

## LKS2

Year 4 will be off to the Science Museum on Tuesday 17th October.

**Road Safety** It is illegal to park outside the school gates at both ends of the day. Many cars are still double parking outside the school.

**PLEASE** do not do this!!

Quite recently we have witnessed too many near misses with children trying to cross the road. Don't be the adult that puts our children at risk.

**KS1** Harvest assembly Monday 16th October at 2.45pm.

## Music

After tirelessly searching for the perfect vocalist and teacher, this week we are thrilled to welcome Ms Omideyi as our new singing teacher and Choir director. Ms Omideyi will be delivering our KS1 and 2 singing assemblies and directing an Infant choir, Junior Choir and Mass (whole school) choir. In order to enrich our music provision children will have the opportunity to audition for both choirs this Thursday. Both choirs will be delivered during the school day with the Mass choir taking place for an hour after school.

The school is committed to the children having more opportunities to perform to a variety of audiences on different stages. Look out for the growth of our school choirs within the local community.

## E-Safety

### Reminder!

Please be reminded to check your child's social media activity on all devices. Protect your child from being coerced into games, thoughts and feelings that can cause them harm.

Children were reminded about this in assembly this week. Take the time to discuss this with your child/ren.

## FAB Social

**Friday 6th October from 8pm**

A parent community mingling event. Tickets are £5 and can be purchased in the front playground after school.
