

THE BONNEVILLE BUZZ

Friday 10th November 2017

Congratulations to Brooke Harte on her involvement in the NSPCC 'Say something' Campaign. Brooke is the main character in the advert, for such a worthy cause. We are proud of you!

Ensure you have received your copy of our new annual publication, 'How are we doing?'.

Next week is the installation of our much awaited radio station. As part of our commemoration to Leena, our radio station will be called Tuitt Two—Bonneville Broadcasting. A play on her surname Leena Tuitt.

Ms A. Parker
Headteacher

Leena's Week

To commemorate the loss of a pupil who recently left our school, Leena Tuitt, the whole school celebrated her life by taking the time to celebrate our own. The children focussed on their happy thoughts, memories and wishes for the future.

On Tuesday and Wednesday, KS2 created poems on what their perfect day would consist of and what they would do if... On Thursday they made cards to consider the importance of community support, particularly during times of need. We also invited her year group to come after school as a special time to be together. On Friday morning, we all took the time to think about our wishes and hopes for the future. At 3pm these were released on balloons, sending a celebration in the sky in memory of our angel Leena.

Thank you to the entire community for all your support and well wishes. I will be delivering a hamper of our creations, photographs, video clips and flowers at her funeral on Saturday.

Cluster Art Project

This week at Bonneville, we hosted an interschool art enrichment event, as a cluster project. Pupils from Henry Cavendish, Telferscot, Iqra and Kings Avenue were deeply engrossed in their art project, producing some fantastic pieces of work. Thank you to Mr Connolley for organising the event along with Ms Neate, Ms Boyle and Ms Napier.

UKS2 Years 5 and 6 have been working hard in their lessons. They are learning to work together to edit and improve their writing. Just look at the concentration of these Year 6s. We look forward to sharing some of their work with you at our Book Look on 7th December.

Year 5 are off to the IMAX on Thursday and will be indulging in Bike it training next week.

Year 6 will be taking part in a Hip Hop Literacy day and America Day this half term. Look out for more details to follow.

Class Assembly- 9.15am to 9.35am,
6I Tuesday, 14th **6K** Thursday, 16th

NO IDLING CAMPAIGN If you are a parent, who parks their car in the middle of the road to drop their child into school, then you are putting the safety of our children at risk.

If you are a parent who also leaves their engine running whilst doing this, even if somebody is left waiting in the car, you are also putting our children's health at risk.

If you are carelessly blocking the drive of local residents, then you are showing no consideration for others who also need to go about their daily business. **Please stop doing it, you are putting our children in danger!**

November Value Responsibility

EYFS On Wednesday 22nd November, Nursery children will be off on a visit to the Farm.

KS1 We had an incredible turnout of parents/carers and visitors for the KS1 Phonics Workshops. Thank you for your attendance. It is reassuring to know that so many of you will be well equipped to support your child's/ren's learning at home, using the correct strategies.

WELL DONE!

LKS2 Year 3 are off on their River Thames cruise trip on 22nd November. We look forward to hearing all about their trip.

The turn out of parents for the Reading workshops was highly disappointing. We are trying our best to support you, to support your child/ren. Thank you to the few who turned up.

Anti-bullying Week 13th—16th November

FAB Please look out for the publication from FAB outlining their financial contributions to the school which, the whole school community benefit from for example, the £10 per pupil annual donation towards trips. Without this contribution the vast number of trips and workshops ALL of your children enjoy, just would not be possible. When you are not paying, FAB is!

Dates for the diary

Lambeth Healthy Routes

Consultation Lambeth Council wants to create an attractive, convenient and safe environment for walking and cycling in Lambeth, focussing on key routes and destinations. They have launched a 'healthy routes' consultation seeking feedback on current and potential routes for walking and cycling - have your say on their draft healthy routes network by registering and commenting at lambethhealthyroutes.commonplace.is/ and tell them where they should make changes to encourage more people to walk and cycle. This consultation runs until the beginning of December.
