## E - Safety

---

We spend a lot of time teaching children how to be safe when on the internet or using mobile devices. We are also aware that many children have social networking accounts. It is illegal for Primary School age children to have such accounts.

The web site below gives good advice to parents and children.

## School Uniform

---

On the whole the children come to school looking very smart - but as well as mobile phones, Father Christmas has clearly delivered quite a few pairs of very trendy, but colourful, trainers to Bonneville children. These trainers can be worn for PE, or

indeed at lunch times - but dark coloured shoes/boots are an important feature of our school uniform.
