

THE BONNEVILLE BUZZ

Friday 13th February 2015

Thank you to all our staff who have worked hard to inspire our children in a variety of ways and FAB who have supported the funding of many of our school trips. It was great to meet with so many parents at the last FAB meeting where we discussed Sport at Bonneville and shared many ideas on how we can continue to work together in the development of this area.

When we return our immediate focus will be homework, we will appreciate your support. In the meantime, keep safe and enjoy the half term!

House Points Re-launch

After half term children will be earning tokens for their house for exceptional good manners, behaviour and self management against our school expectations. These tokens will be awarded by the Senior Leadership Team and Class Teachers. There will be a weekly check point count, the winners will be announced at the end of the term and awarded a treat.

Pupils being formally monitored for their behaviour at the time of the treat will not be allowed to take part. Please encourage your child/ren to have good manners to all adults at school.

This month our value is Patience!

Congratulations! Part of our school development plan is to distribute further the leadership of the school by implementing a Lower Key Stage Two Leader so pupils, staff and parents have easier access to the Senior Leadership Team. Congratulations to Ms McIntosh who has been promoted to the post. Ms McIntosh will have the overall responsibility of Years 3 and 4.

This will enable a greater presence of leadership around the school.

Baby Friday

FREE Babies and Toddlers music session every Friday from 9.00am—9.40am in the Nursery. Come along and join the fun!

Reception Parents

Remember to come along to Forest Friday!

Stay and Play

For babies and toddlers in the nursery from 9.40am-10.00am.

Bonneville Junior Choir

Performed at the Royal Festival Hall taking part in the 'Voicelab'. They taught another school our songs and performed in a short concert.

Nursery

Went on a journey to the Science Museum to visit the two hands on exhibition.

KS1

Year 1 were off to the Natural History museum in pursuit of dinosaurs whilst year 2 delved further into their topic at the Florence Nightingale Museum.

Morning Drop Off!

We have noticed an alarming number of children being dropped off at school and left without a chaperone before 9am. This is unsafe and staff do not take responsibility of your child/ren before this time. If you require additional care in the morning please book the Reading Cafe. Information at the main office.

LKS2

Year 4 thoroughly enjoyed their trip to Ufton Court, particularly the banquet and the raid. Year 4 spent 2 nights in a Tudor Manor house and indulged in Tudor activities to learning more about their topic by living it!

Year 3 engaged in a workshop learning more about their topic 'Stone, Bronze and Iron Age'. Thank you to the Creative History Company for

inspiring the children to find out more.

Attendance

Well done to RS (99.2%) and 4O (97.8%) for the best attendance over the last two weeks!

UKS2

Year 6 visited Balham Mosque and Year 5 watched Hairspray at Lambeth Academy.

It is with regret that year 5 have not had a consistent additional teacher this term however, we have managed to appoint a new teacher Mr Sinclair as the additional year 5 teacher. Mr Sinclair will join us at the start of the Summer Term. In the meantime Ms Beeckmans will facilitate the three teacher model for morning sessions.

Jargon buster!
