

THE BONNEVILLE BUZZ

Friday 13th March 2015

Our behaviour token system has kicked off really well this term. Currently Yellow Canaries lead. Please discuss with your child/ren how tokens can be earned and encourage them to let you know when they have achieved one.

Last week we saw the children all getting involved in dressing up for World book day. Thank you for your support in getting your children prepared. The event was enjoyed by all and a great opportunity to hook our children back into reading for pleasure.

15 of our children had the opportunity to experience a live football match at Fulham Football Stadium and witnessed Fulham defeat over Derby. Thank you to FFC for donating the ticket to our school, giving us another opportunity to provide more memorable experiences for our children.

Next week Ms Hillman will begin making contact with the school in preparation for our new working arrangements. We look forward to Ms Hillman's return as Associate Headteacher.

This year we are able to run 5 different booster sessions to support children working towards their SATs. These sessions will be tightly differentiated with appropriate targeted support. Please ensure if you have received a letter that your child has a commitment to attending.

Eclipse!

On Friday 20th March 2015 there will be a total solar eclipse. As this hasn't occurred since 21st June 2001 we have decided to mark the event to make it memorable for our children. On Thursday the children will be designing resources in order to safely witness the eclipse in the playground on Friday morning. Share your experiences of the last eclipse, can you remember where you were?
