

THE BONNEVILLE BUZZ

Monday 18th May 2015

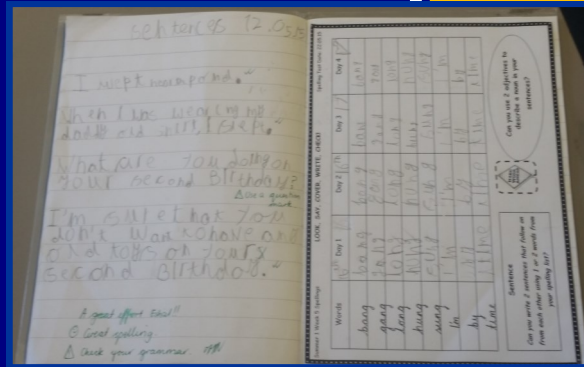

We are fast approaching Summer half term already and the second half of the term is seven weeks long.

Please ensure you have received and fully read our update on our assessment procedures, which was detailed in a letter sent out this week. Our new end of year report form is up on our website for you to have a look at before receiving your child's/dren report later on this term.

Please remind your child/ren that homework is issued on Friday and should be returned on Wednesday all together. Our expectation is that the entire homework pack is returned to school every Wednesday and all items are kept together.

This term the Senior Leadership Team have been monitoring pupils work on a weekly basis in a bid to track pupils presentation and attitude to their learning more closely. We have seen significant improvement in pupil standards and feel very proud of the rapid progress our children have made. You can support your child by discussing with them the importance of being resilient and making an effort with their learning.

Enjoy the half term with your families, keep safe and remember school returns on Monday 1st June at 8.55am.

International Evening!

International evening this year was another roaring success. Children came together with their families to share their traditional cuisines and came to school dressed in garments and colours of their heritage and or culture of which we are all proud. Children performed songs with their classmates, and how can we forget the amazing Asian percussionists who performed at the end of the evening. It was a joy to see our children smiling, dancing eating and having fun together on such a wonderful occasion. Thank you to all parents who supported FAB in making this annual event so special. We look forward to the Summer Fair on Saturday 20th June.
