

# THE BONNEVILLE BUZZ

Monday 22nd June 2015

This term so far there have been some exceptional performances by our children for class assemblies. They have impressed us all with their confidence in delivery and knowledge of the key facts they have learnt this year and the skills they have developed. Well done to you all as we look forward to viewing LKS2 class assemblies, over the next few weeks.

Over the course of this term our administrative team will be trained in using a new online payment system for dinner money, to be fully launched for your use in September. This system will also enable our use of text messaging communication. In order to get the most out of this system we need up to date pupil information. Look out for our information gathering fair to be held in the playground at our school entrance over the next coming weeks.

The School Council will be reviewing our 'School Food Policy'. As part of the consultation, we will be issuing a short questionnaire to families on providing Halal meats as part of our school lunch option. Please fill in, with your child/ren, and return the questionnaire at the school office by Friday 3rd of July.

As the evenings become warmer more and more families are gathering, for long lengths of time after school in our playgrounds. This is a particular issue in our KS1 playground. Everyday, after school we have a duty of care for the welfare of our children after school hours. Not only do we need the space around school to facilitate these clubs but we have to know of all the adults our children may come into contact with while on our premises. The lingering of parents makes this task exceptionally more difficult to monitor. I have directed all staff to ask parents to leave the premises if they are found sitting in the playground. To reduce the need for any conflict, please leave the premises straight after collections. If you have an appointment, please come via the school office, and wait there.

On Friday the winners of a behaviour token award for the Spring Term, Yellow Canaries, went off to Fulham Football Stadium. They had an amazing time, asked lots of questions and supported each other remarkably well.

Ms A. Parker

## Sports For Schools!

On Friday 12th June Sports for Schools ran a sponsored event at our school. Each child was sponsored to complete a fitness circuit, the session ended with an assembly by Kola Adedoyin, a professional athlete demonstrating his skills and describing his journey. The children were highly inspired by the athlete and asked lots of interesting questions. A clear message was shared that morning of perseverance, dedication, resilience and hard work. Thank you to Ms Serrell for organising and Sports for Schools for hosting such a motivational event. Keep an eye out to find out how much money was raised.

## A 'FAB' Summer Fair event!

Our Summer Fair was another blast this year. Thank you to all who attended for spending your money with us, and all those who gave up their time to make it possible. Another FAB success— can't wait to hear how much was raised!

## This month our value is Humility!
