

## City Hall – Florence Bazeley

When I went to City Hall we had to set up a stall and display all our things neatly on the table. Then people came in to buy either some food or our Bonneville cook book. We had beetroot brownies, vegetable bags, a chocolate pepper, bread rolls and pickle. Later Zion in year 6 went around the Hall with our Bonneville cook books and they went down quite quickly. We had to leave at 3pm but it was really fun. I really enjoyed it.
