

# City Hall

## MY EXPERIANCE

On the October 3 children where chosen to go to the Mayor's work place, City Hall. I was lucky enough to be chosen to go on this trip. At the beginning of school we packed up all our products and took a black people carrier and we set off. On the way we talked about bus selling technique and what we would say to our customers.

When we arrived we set up our stall/table and in the meantime I was writing down the prices. When it was time to sell we were running around and trying to sell. I even was put in the South London Press! Our <sup>main</sup> products and prices: Veg Bag (£3), Apple Roses (£2), Dried Apple Bites (£1), Chutney (£3), Pickled Cucumber (£3), Baby Carrots and hummus (£2.50), Spinach (75p) and Elderflower Cordial (70p per glass).

I really enjoyed this opportunity and I wish I could do it again. If I did I would be more confident from the beginning. Overall this was a great educational trip.
