

THE BONNEVILLE BUZZ

Friday 27th May 2016

What a busy term! Thank you for all the support we have received from parents, carers and friends.

Following from feedback taken at our KS1 Parent Forum, we are investigating branded Bonneville rucksacks for the children. We have already received the prototype rucksack and just awaiting a sample of the embroidered branding. Once we finally approve the quality, the rucksacks will be on sale at the school office during the next half of the Summer term, to support parents with preparing children for September.

A gentle reminder. Please remember our school expectations of the community whilst on school premises. Any pupil disputes must be reported to class teachers or school staff. Please do not attempt to resolve issues between the children yourselves. It is important that issues are resolved in a manner that we would all expect for our own children. Any incidences where this is breached will result in parents being banned from school premises.

As I have previously mentioned, our behaviour policy is currently under review, this closes on Friday 3rd June. Please visit our website to view the document and forward your comments to the schools email admin address.

Have fun and keep safe over the holidays, I look forward to seeing you all back at school on Monday 6th June at 8.55am.

Headteacher

Our Value this month is Peace

KS1 As part of International Week Y1 learnt about the festival of La Tomatina. This festival takes place just outside Valencia in Spain and the main event is tomato throwing. The children experienced as much of this festival as possible so recreated the tomato food fight, not with tomatoes but with water balloons.

Thank you for the great attendance from parents at the KS1 book look. This is always a valuable opportunity to see how well your children are doing in a more informal setting.

We look forward to seeing you at the children's class assembly's next term.

Samba Dancer at International Evening

International Evening

There has been nothing quite like it for International evening at Bonneville. Our class performances have always been the highlight and as usual our children out performed themselves with fantastic renditions of a variety of song choices. Then, to follow this up with a drumming performance by The South London Samba band and a carnival samba dancer, dancing with our children was truly spectacular. What a way to end the term, and with the perfect weather for the occasion. On behalf of our community I would like to extend a huge thank you to FAB for engineering another phenomenal community event. The hard work and commitment of our volunteering parental support and engagement is evident in the outcome of yesterday's occasion. Bring on the Summer Fair, Saturday 18th June 1pm to 4pm.
