

THE BONNEVILLE BUZZ

Friday 17th June 2016

Thank you to all Parents/Carers for coming to see the children perform a collaboration of their learning in the Class Assemblies. The children performed with confidence that showed how much they have enjoyed learning their topics.

I would also like to extend my gratitude for the tremendous turnout of parents across the school at our Science workshops this week. There has been a great buzz about Science around the school and the children have enjoyed the variety of Science opportunities. Thank you to Miss Mitchell for leading this project and all the adults who have supported and been involved.

It is with great sadness that we will be saying goodbye to Mr Ackroyd next Thursday. Mr Ackroyd has been our School Business Manager for two years and has supported us in our school development agenda in many ways. The impact of his work is unquestionable, we wish him all the best in his new role as Head of Facilities at Second Home.

Ms Parker
Headteacher

Dates for the diary

Summer Fair

Saturday, 18th June 1pm to 4pm

SCHOOL CLOSURE (REFERENDUM)

Thursday, 23rd June

Summer Concert

Wednesday, 29th June 6.30pm

Our Value this month is Thoughtfulness

Bonneville School Bag

After approving the model version of our school bag, I am pleased to share that it will be on sale at reception from Thursday 1st September (INSET Day).

Further information on the purchasing of this item will be provided before the end of this term.

Summer Scheme

Unfortunately, due to the low number of bookings made, we will not be running Summer Scheme this year. After a full review, we have concluded that it would not be viable this year.

We apologise for any inconvenience this may cause.

KS2 Sports Day

This year KS2 Sports day will be held at Tooting Bec Athletics Ground, between 1pm and 3.30pm. A letter has been sent home providing the full details of the event. If you have not received a copy please visit the News section of the schools website where all letters are archived. We would like the opportunity to dismiss as many children as possible at 3.30pm from the Athletics Ground. Even if you are making your way back to school to collect a sibling, please ensure your child is dismissed from class and into your care. This will assist the school staff in having less children to return to school. We understand the logistics for parents/carers collecting siblings back at school for 3.30pm and will support by supervising these children until 4pm.

Science Week at Bonneville

Children have taken part in a range of activities to help broaden their thinking and enhance their science learning. On Monday we had an exciting Scientist in school who did some amazing experiments, including explosions! Parents have been getting very involved in Science during the parent workshops. In reception we were observing snails and some of them escaped in the night! We have also had lots of entries for our exciting science homework competition. Overall it has been a fun and exciting week and teachers, parents and children have shown great enthusiasm for Science.

Attendance

Well done to 1H (97.4%) and 3I (98.3%) for the best attendance over the last week!

Year 5 Science Parent Workshop

Whole School Topic Week on Rio!

Music 20 children have been chosen to take part in the **Discover Music and Maths Workshop at the Royal Albert Hall on Wednesday 22nd June**. We look forward to hearing all about it.

KS1 Today, year 1 are off to the CLC to attend a games design workshop. We look forward to hearing more about it when they return.

Well done 1C on your class assembly this week. Let's keep the possibilities fairly floating around our school.

Class Assembly

9.30am to 10.00pm

1H Thursday, 30th June

2C Thursday, 7th July

2M Thursday, 14th July

In celebration of the Rio Olympics the whole school will embark on a Rio themed week From Monday 4th July, ending with a Rio style Carnival on Friday 8th July at 9.30am. I look forward to seeing you all there!

EYFS On Friday 24th June, Nursery will be visiting the Sensational Butterflies exhibition at the Natural History Museum. This exhibition allows visitors to explore a tropical butterfly house. It will be a fantastic opportunity for the children to learn about butterfly cycles, as part of this term's Caring for Creatures topic. Every child on the trip will need to be accompanied by an adult, for safety reasons. If you would like your child to come on the trip, please ensure that a parent or another adult will be available on the day of the trip, to accompany your child.

Due to some proposed changes across Early Years for September, the Nursery (only) will close for the Summer Holidays on Friday 15th July. The last day of term for Reception is the same as the rest of the school on Wednesday 20th July at 1.30pm.

Reception children experimenting in Science

LKS2

Well done year 3 on your amazing class assemblies last week.

UKS2 Well done to all of the children for sharing their learning with such confidence.

Year 5 parents please note the changes to the Wandsworth Secondary Transfer process. A booklet for your immediate attention will be going out today. You may also find it helpful to check the schools website for more information.

Please come along to our Secondary Transfer Meeting on 6th July 4pm.

Please remember to attend our residential trip meeting to Blacklands farm on Wednesday 22nd June at 9.00am or 4.00pm.

Year 6 Show

18th July, 7pm

Yr 6 Celebration Party

19th July

Leavers Assembly

20th July, 9.30am

FAB Summer Fair Saturday 18th June 2016 1pm to 4pm

Thanks to FAB for their £3,000 donation for Early Years Outdoor equipment. We have now ordered these resources.
