

THE BONNEVILLE BUZZ

Friday 16th December 2016

As we come to the end of the Autumn Term I would like to thank all of our staff for all the hard work they have put into making our schools such a special, nurturing, safe and inspiring place for our children to enjoy learning at everyday.

I feel very proud to be the Headteacher of Bonneville for many reasons, one being the tremendous diversity of our community which makes up our wonderful school. We work hard to know our families well and deliver a broad curriculum to reflect that. We know the different barriers our children face with their learning and do exceptionally well at providing them with the support and varied experiences they need to embed a lifelong love of learning. My obligation to request place of birth information was sent out to you recently however, you are under no obligation to provide the information requested.

We have the most fantastic community of parents who have been heavily involved in supporting whole school development in many different ways. From organising events as FAB (Quiz Night/ Winter Fair) to making personal donations, raising funds, moving the shed and painting the back wall in the EYFS playground. We are also tremendously grateful to Erin and Ian Derrick who invited all FAB to their house party a few weeks ago and managed to raise £520 for the school. I am truly overwhelmed by your support and thank you all dearly. Enjoy your Christmas drinks at Gialum tonight!

Following feedback from parent forum (UKS2) we have agreed to publish as many key dates for the following term in a whole school calendar to be distributed at the end of the previous term. Please see attached.

We say goodbye to Ms Georgiou, my PA, who has been a member of staff at our school for a year now. On behalf of the school I would like to thank her for all her hard work, creativity and efficiency which will be missed. We wish you good luck for the future.

Finally, I would like to wish all pupils and parents, from all the staff and governors of the school, a very Merry Christmas and Happy New Year.

Ms A. Parker
Headteacher
