

THE BONNEVILLE BUZZ

Tuesday 20th June 2017

Events over the last few months have highlighted a real need for us as a community to pull together, supporting and being thoughtful of and for our neighbours. In order to maintain as much stability for our children as possible, we will work to support them in understanding the world around them through the values we hold dear for our community, which is part of our curriculum. As part of this, we will be maintaining our attendance on planned trips with risks assessments in place. If I am informed of any changes to UK threat levels I will act accordingly.

The Met office have issued a level 3 heatwave alert for London until Wednesday 21st June. If you need extra support on how to keep your family safe whilst enjoying the beautiful weather, please see Ms McAndrew or refer to the 'Beat the Heat' posters obtainable at our front reception.

During this time, children should be coming into school with a suitable hat to be worn during playtimes and a bottle of water to keep hydrated throughout the day.

We currently have two Parent Governor vacancies on our Governing Board. Letters were sent out last week detailing the process, outlining the job description and requesting your nominations. Please note the deadline for nominations and written submissions is Tuesday 27th June. If you are nominating another parent you must submit their signed consent. Only nominations with written submissions will be valid.

From September we will be offering 30 hours free educational childcare for 3 to 4 year olds. If you, your family or your friends are interested please ask Clarissa in the office for more information on the criteria which applies.

Please be aware that Monday 26th June is the last day to place an order for a school photograph.

Over the next few weeks Caterlink, our catering service providers, will be hosting a number of special school meal events, starting with a Ramadan Lunch on Monday 26th June.

Ms A. Parker
Headteacher

If you're not following, you're missing out!

Our June value is Humility

Summer Scheme is now Confirmed!

Monday 24th July to Friday 4th August

To secure your place you must hand in your booking form to Clarissa in our front Reception by Friday 30th June 2017, with full payment included.

Free School Meal Eligibility!

Help us to help your child!

If you provide us with proof of your National Insurance Number, we can search if you are eligible for Free School Meals.

This is worth doing, even if your child chooses to eat a packed lunch.

Science Week

Science Week has gone down a storm this year, with a range of activities which has engaged and inspired our children. A scientist has delivered assemblies and workshops to the children. There have been parent workshops, science focused homework and competitions. Well done to all of our children for their entries. Congratulations to our competition winners Jean, Amelia, Jack, Chloe, Dominika, Tyler, Xavier, Brandon, Bailey, Ria, Kate and Ruth.

I was really impressed with the quality of science engagement last week, most importantly how highly motivated and happy the children have been to engage. One of my highlights was walking into a Yr 3 classroom and hearing Leo say 'I am a Scientist!' whilst he mastered defying gravity.

Thank you Miss Mitchell for another fantastic Science Week. You have certainly made the whole school buzz about science.

Sport

On Wednesday 21st June we will be competing in a High 5 Netball Tournament at La Ratraite.

Good Luck Team, Go Bonneville!

Creativity Week

Week commencing Monday 26th June is creativity week.

Our whole school timetable will be heavily focused on the Arts during this week with all year groups having the opportunity to visit art exhibitions in the Tate Modern and Tate Britain Museums.

UKS2

Yr6 thoroughly enjoyed their camping trip to Blacklands Farm. Staff have reported that the children were an absolute pleasure. They embarked on lots of challenges like, high rope, rafting, canoeing and abseiling. They also had a fun day out at Brighton beach and on their return a day out at Chessington World of Adventure. A memorable experience they will treasure forever. Thank you to all staff for attending the residential.

Deposits for Yr5 trip to Blacklands Farm this Autumn are now overdue. Please ensure you make payment at the school office.

Yr5 will be kick starting their topic 'Microsociety' with a trip to Kidzania this Friday.

Please note Yr5 class assemblies have been cancelled this term.

KS1 Well done year 1 for trying so hard to complete your phonics tests this week. We are all so very proud of you.

House Points Winners!

Last term, Green Woodpeckers received the most tokens in recognition for their attitude to learning and general behaviour and good manners around school.

Well done Green Woodpeckers!

LKS2 To bring their topic on Feathers and Claws to an end, Year 4 visited London Zoo this week. They had great fun observing and sketching a number of animals and especially enjoyed discussing the habitat of each animal. Well done Year 4 for behaving so well in the heat!

EYFS and KS1 Sports Day Tuesday 11th July

KS2 Sports Day afternoon of Wednesday 12th July

FAB Summer Fair Saturday 1st July 12pm to 3pm, International Evening Wednesday 19th July!

We have joined our efforts to support the families affected by the Grenfell Tower fire by raising funds and donating. We are making checks to ensure the funds raised go to the correct crowdfunding efforts.
