

# THE BONNEVILLE BUZZ

**Tuesday 31st January 2017**

Happy New Year! On 25th January Caterlink ran an 'Added Benefits Day' for the school. This involved a whole school Healthy Eating Assembly, a Fruit Pizza making workshop for KS1 a Bread making workshop for KS2 and a visit from their company Mascot JoJoe. The children thoroughly enjoyed the day learning lots about different healthy foods and making good food choices. I wonder how many children will use their learning to ensure they try foods at least 17 times before saying they do not like it! Thank you to the Caterlink team.

This week we will be sending out information on the new 30 hour free educational childcare entitlement from September 2017. Keep an eye out for this.

It has come to our attention that there are fake notes in circulation locally. Please keep yourselves safe by remembering to check the notes you receive. I have instructed the office to thoroughly check notes when handling large sums of money.

Please take no offence to this, I do appreciate your support. Ms A. Parker  
Headteacher

## Our January value is Patience

### Pupil Attendance and Punctuality

It is vitally important that your child comes to school everyday. Apart from the obvious gains of good school attendance, we (school staff) are obligated with the outlines of our duty of care to investigate and report on all incidences where a pupil's attendance is less than satisfactory. Good attendance includes days off for common childhood illnesses. As the objective is for improved attendance, meetings on how your child's attendance can be improved and monitoring to secure this, is put in place before any further referrals are made to the Local Authority.

We cannot legitimise poor attendance but we can work together to improve it. I appreciate your support in this matter.

### Dates for the diary

#### **Mindset Workshop**

2nd February 2017 at 5.00pm

#### **KS2 SATs Workshop**

8th February 2017 at 5.00pm

#### **KS1 SATs Workshop**

9th February 2017 at 5.00pm

#### **End of half term**

Friday 10th February 2017 at 3.15pm

### Return

Monday 20th February 2017

#### **EYFS Parent Forum**

6th March 2.45pm to 3.15pm

#### **UKS2 Parent Forum**

7th March 2.45pm to 3.15pm

#### **LKS2 Parent Forum**

8th March 2.45pm to 3.15pm

#### **KS1 Parent Forum**

9th March 2.45pm to 3.15pm

#### **All Class Assembly**

Between 7th and 30th March 2017 at 9.15pm

#### **Parent Consultations**

28th and 29th March 2017 from 2.30pm

#### **Years 4 and 5 Easter Play**

30th March 2017 at 2.00pm

#### **End of Term**

Friday 31st March 2017 at 1.30pm

If your not following, you're missing out!

## Bike It Beth, goodbye and thank

**you!** For the past two terms the school has been heavily involved in the Bike It program. This has kept us all engaged in cycling activities through a busy program run by our Bike It Crew and Beth.

As Beth has now taken on an exciting new project in Spain, we will continue with the project with a newly assigned member of the Bike It Team.

On behalf of Bonneville, I would like to extend our gratitude to Beth for all her enthusiasm in running the project with our children. We wish her all the best for the future.

## EYFS

This term the children have enjoyed the completion of Phase 2 of our Early Years playground improvements. Thank you for all the help and support in finalising this project.

On 9th February Reception are off to the Science Museum. We look forward to hearing all about their trip.

**Please note the error on the Spring Term Calendar**

Book Look is on **20th March not 20th January.**

## Dinner Money next half term is

**£63.00**

**KS1** This term year 2 visited The Florence Nightingale Museum and Year 1 brought their topic alive with a trip to The Natural History Museum. Thank you to all parents who helped on the trip.

This week it is reading week in KS1. Tomorrow They will be hosting a Reading Workshop for parents from 9.00am. On Friday the children will be dressing up as a book character for the day and taking part in a book swap in the afternoon.

## Parent Workshops

Thank you to all parents who have attended recent Workshops on Assessment and The Calculation Policy. I do hope you found them useful.

As you are aware, this week, we are hosting a workshop on Mindset Theory and how we are incorporating these approaches throughout daily life at school. You will also find out how you can support the development of an open Mindset at home.

If you are interested in attending please inform the office to book a place.

Please note, all presentations used at workshops can be found on our school's website under the News Tab.

## LKS2

Earlier this term Year 4 had a ball on their residential trip to Ufton Court. The children's behaviour and attitude to exploring and learning in a different context was of credit to us all.

Year 4 have had the opportunity to engage in a cooking workshop with Adam Byatt, award winning Chef, this term. They learnt key skills like chopping and dicing to produce a seasonal salad each. We look forward to welcoming Adam back on 8th February when he will be working with 4H on another dish.

We look forward to finding out about year 3's trip today to The Museum of London, where they will be consolidating their learning on The Stone Age People.

**UKS2** thoroughly enjoyed their trip to the BFI for Maths and the Movies. They worked hard to use their mathematical problem solving skills to find Nemo and were then rewarded with a viewing of Finding Dory. Thank you to FAB for topping up the money that the children raised through enterprise, to cover the cost of the trip.

On 9th February Year 5 are off to Battersea Park Zoo and Year 6 go to The Horniman Museum. Please make sure that your child is wrapped up warmly as both groups of children will be travelling, primarily, by bus.

Please remember to keep up with your payments for the Year 6 residential trip to Blacklands Farm from 22nd to 26th May.

**FAB!** Thanks again to FAB for hosting another hugely successful Winter Fair raising an amazing £5,178.16. To view more about FAB's contributions to school and upcoming projects visit the Fab page on the school's website under the News Tab. I am still waiting for confirmation on a quote for our next project which is a MUGA for the KS2 playground. Watch this space!
