

THE BONNEVILLE BUZZ

Friday 21st July 2017

The end of another academic year! All staff have worked incredibly hard to improve their areas of responsibility with great success and for this I thank you all. Our children have flourished this year from new experiences and the delivery of a broader and richer curriculum. The improved delivery of PE, Music and Spanish have heightened our children's interest and improved their outcomes significantly. Whole school curriculum events have received high engagement from children and been particularly well attended by families and our local community.

I am feeling particularly proud of our children this year who have achieved phenomenal standards in their end of Key Stage assessments. Based on unofficial early analysis, I can report that at the end of all Key Stages, our children have exceeded their counterparts, in all areas, against Lambeth and Nationally. This includes the percentage of children exceeding in all areas.

Congratulations and well done to our children and thank you to all staff who have supported and taught these cohorts. We send our best wishes to year 6 bidding them farewell as they embark on the next stage of their lives. They have been an amazing cohort of children and outstanding role models. We will all miss you!

This year we will also be saying goodbye to Ms Palton, who has worked at our school for 17 years as an Inclusion Teaching Assistant. We would like to thank her for all her years of service at our school and the impact she has had on the lives of our children over time. Her commitment to improving outcomes for young people in our community can never be questioned and for this on behalf of us all we thank you and wish you all the very best for the future.

Finally, have a restful, enjoyable and safe holiday. I look forward to seeing you all at the gate on Monday 4th September at 8.55am.

Attendance

Well done to 2M (98.5%) and 4H (99.2%) for the best attendance over the last week!

Music

Next year Musitrax will continue to deliver music lessons for our children however, we have increased our provision to years 3, 4, 5 and 6.

Year 6 Perform Peter Pan

UKS2 Well done to Year 6 on their performance of Peter Pan on Monday. They did a brilliant job and showed themselves to be true performers. Thank you to all who donated at the end of the play. We have raised £154 for Great Ormand Street Hospital.

The Secondary Transfer Meeting will be early next year on Thursday 7th September 2017, at 4pm, for years 5 and 6.

Clubs

Booking forms will go out next term. Clubs will start week commencing 25th September.

Our Value when we return will be Quality

Sports Day Well done to all the children for taking part in Sport Day this year. We were thrilled to have Solomon Bar, Paralympic GB Athlete join us too. We were all very inspired by him. Congratulations to our overall winners in KS2, The Red Robbins and KS1, The Yellow Team. Well done to our adult winners, female parent race Jannine, male parent race Akeem and the male Teacher's race Mr Sinclair.

Creativity Week This term the entire school spent a full week indulging in 'The Arts'. Every year groups visited an Art Gallery, learnt about the history and styles of various artists and were inspired to create their own pieces of art. The Art Exhibition at the end of the week was a tremendous success. Next year you will see outcomes of the children's work hung around the school. Thank you to Ms Napier, Ms Neate and Ms Williams for making this happen.

House Points Winners!

Congratulations to The Yellow Canaries for displaying exceptional manners and learning behaviour around school.

School Council The school council are in the throws of raising money for our very own radio station equipment. This term they having been selling unwanted toys and this afternoon they will be running a sponsored triathlon. Well done, we looking forward to hearing how much you raise.

School Dinners Due to the increase in the cost of each meal to the school, dinner money will be £2.40 per day from September.

FAB! This term our parents have been incredibly busy with the Summer Fair, which raised an amazing £5,600 and International Evening. There have been various out of school events which have also contributed to school fundraising. The school, along with FAB are working hard to raise and apply for money to improve our playground and Sports facilities. Having looked at a variety of MUGA (Multi Use Game Area) we have found a design which meets our specification. I will share the design and fundraising target with you in the new year. This year we will be saying good bye to Ju and Amanda (from Chairing) who have been the Co-Chair of FAB for the past two years. They have worked incredibly hard on galvanising parents, preparing, organising, keeping the FAB calendar going and making each event even bigger and better. On behalf of the whole school community we thank you so much, I have enjoyed working with you. Best wishes! We welcome Erin Derrick and Cat Clark as our new Co-Chairs.
