

THE BONNEVILLE BUZZ

Tuesday 19th December 2017

As we come to the end of the Autumn Term I would like to thank all of our staff for all the hard work they have put into making our schools such a special, nurturing, safe and inspiring place for our children to enjoy learning everyday.

I feel very proud to be the Headteacher of Bonneville for many reasons. The very culture of our school is embedded in respecting each other, caring for each other, working hard together and achieving. At Bonneville we focus on the 'How'. How we engage children?, How we inspire children? How we include children? and How we encourage them to face challenges and do their best, all within a nurturing, inclusive community driven environment. I feel exceedingly proud of our 2017 KS2 results and would like to extend a huge thank you to our teachers and congratulations to the year 6 class of 2017.

Thank you to all those who attended our Christmas events, including the EYFS Nativity, KS1 and Year 3 plays. The Christmas Concert this year was a real treat. All three choirs performed spectacularly, including a beautifully sung solo by Alfie Simmons. The high quality delivery of passages read by our year 6 pupils was most impressive and our tableau performed by year 2 was truly magnificent.

After 7 years of working at Bonneville we say goodbye to Ms Goodson, one of our Inclusion Teaching Assistants. Ms Goodson has worked with our most vulnerable children over the years supporting their learning. MS Goodson has been an amazing staff member, who is highly skilled and will be sorely missed. We wish her and her family well on their relocation out of London. Good luck for the future.!

Finally, I would like to wish all pupils and parents, from all the staff and governors of the school, a very Merry Christmas and Happy New Year.

Ms A. Parker
Headteacher

Also this week, we hosted the first of our Year 6 Bonneville and Henry Cavendish Book Clubs. These will take place monthly with a focus on developing conversation about books and reading a wide range of texts. Look out for more information on how you can keep up with what we've been reading and what we think of the books.

Thank you to all those who came to our Year 6 Strings Concert and Book Look and Class Assemblies. This term has also been peppered with trips and theme days. To end their topic on route 66, Year 6 threw themselves into America Day taking part in a quiz, a treasure hunt and a parade. They had quite a day and thoroughly enjoyed themselves.

Looking forward to next term, Year 6 have got Survivor Day coming up on January 10th. Please return your slips ASAP. Year 5 have also got trips to the Museum of London on 30th and 31st January booked. Keep your eyes peeled for more information after the holidays.

Thank you FAB The Winter Fair was another fabulous event. We have now agreed that funds raised will go towards the development of the playgrounds whilst the school focus on managing the arrangements for the installation of a MUGA (multi use games area). Keep an eye out for all developments with these projects.
