'School is balanced,
we get to do lots
of fun activities
and do our work
peacefully!'

Year 3 pupil

Welcome

Thank you for the interest you have shown in our beautiful school. We are all extremely proud of our school community and our achievements.

At Bonneville we have a strong commitment to our school vision. Our children discover and develop their strengths from the delivery of a broad and balanced curriculum that provides a variety of opportunities for daily successes.

Bonneville is a friendly, happy and stimulating place to learn. Our children understand that discovery never ends and develop a long lasting love of learning, understanding that hard work brings success.

We pride ourselves on placing children at the heart of everything we do, so our bespoke creative curriculum reflects our community and provides the stimulus for deeper learning and lasting academic progress.

At Bonneville we provide the scope for our children to grow a strong sense of responsibility, confidence and independence. They leave our school open minded, willing to try new things without fear of failure, ambitious, articulate, well rounded human beings ready for the next stage of their lives.

Our Vision and Ethos

Bonneville is a friendly, happy and stimulating place to grow. We have a strong sense of community and ensure that our children feel safe and nurtured.

At the heart of the education we offer is a professional and highly motivated staff, who in partnership with parents, encourage each child to **discover their potential**. At Bonneville Children develop a love of **Enterprise Learning** and leave as

effective **Communicators** able to participate fully in their **Environment**, clear about the **Possibilities** open to them.

Our children are encouraged to make informed choices and to have a deeper understanding of consequences.

We are highly conscientious for our children and fully committed to broad achievement for all.

Mission

Bonneville Primary School promotes high achievement, understanding of the world and a love of learning by working with children to:

- achieve high standards in all areas of the curriculum
- become highly motivated, inquisitive, life-long learners
- be flexible and adaptable for the modern world
- have high self esteem - respecting themselves, their community and the environment
- to be able to work independently and collaboratively, solving problems and connecting areas of learning
- gain technological skills which enable them to extend and enhance learning

We believe that each child will succeed through experiencing quality in:

- learning partnerships between school, home and the community
- a culturally rich, creative curriculum which is responsive to children's academic and personal/ social needs
- an enriching programme of extra-curricular activities and visits
- innovative teaching and an experiential approach to learning
- an ethos of support, challenge and encouragement to succeed

We demonstrate our commitment to working as a learning community by:

- putting the children's needs first
- working together towards common goals
- striving for continuous improvement in all that we do

Developing citizens that make a positive contribution to the world community.

Succeed

Bespoke, Broad and Balanced Creative Curriculum

At Bonneville, we deliver a full, rich and exciting creative curriculum.

Children develop a deep understanding of their topics, which enables a clearer focus on skill development with our cross curricular approach.

We aim to maximise varied opportunities for our children, with memorable learning experiences through the exploration of our key drivers:

High Expectations

ENTERPRISE LEARNING

Our children are given the opportunity to develop skills such as problem solving, decision making and evaluating risks.

COMMUNICATION

Children learn through whole class, group work, paired and individual learning. We encourage our children to talk, discuss and feedback to each other.

ENVIRONMENT

Our creative curriculum uses the local and wider environments as a stimulus for learning. Children learn to be caretakers and develop an understanding of sustainable living.

POSSIBILITIES

Children develop an understanding of the opportunities open to them through visitors, external trips and themed focus days / weeks.

Our children are
at the heart of our
curriculum so it
reflects who they are,
where they come
from and what they
could be!

Forest School, inspiring individuals of any age through positive outdoor experiences. By participating in engaging, motivating and achievable tasks and activities, in a woodland environment (on site) our children develop intrinsic motivation, sound emotional and social skills.

Inclusion

We have an excellent reputation for catering for every child's individual needs. At Bonneville we have a dedicated inclusion team, this consists of providing direct support for pupils and families in the areas of behaviour, EAL, pastoral and outreach support.

As soon as we identify any child whom we feel is experiencing difficulties we will contact you to discuss the steps we need to take, to do as much as we can to help. Alternatively you may draw our attention to something that you are concerned about. Either way, we will consult with you at every stage of support and keep you fully informed of your child's progress. We are an inclusive school. All our children are made to feel welcome and valued as members of our community.

92% of our children feel happy and safe at our school.

The children were kind, respectful
and behaved exceptionally well.

Community

Bonneville is a strong community of children, staff, parents, governors and friends. We believe that partnership with parents is vitally important.

The school provides opportunities to discuss each child's progress and needs through regular consultations. Additionally, we provide an increasing range of opportunities for parents and carers to learn alongside their children through family learning projects.

As well as our enthusiastic and very dedicated teaching and support staff we have a large group of volunteers who visit the school regularly to provide additional support to children. We also have a very active and hard working parent association (FAB).

91% of our parents
say they would
recommend our school
to another parent.
