

# THE BONNEVILLE BUZZ

**Friday 15th April 2016**

Welcome back, and to such lovely Spring weather!

We are thrilled to be launching our new website on Monday 18th April. Please check out the new design and layout which has been changed to provide easier access to the information you need at your finger tips.

We are also looking forward to two key events this term, a performance of the Wizard of Oz for the children and our annual International evening co-ordinated by FAB.

In order to define our approach to supporting parental responsibility of non-resident parents, we have produced some guidelines which will be under consultation with Governors, Staff and Parents from Monday 18th April to Friday 29th April. You can access the document on the schools website and forward your comments via email to [admin@bonneville-primary.lambeth.sch.uk](mailto:admin@bonneville-primary.lambeth.sch.uk)

In addition, we are currently reviewing our behaviour policy. Keep an eye out for the consultation document and dates.

This week we were offered the opportunity to refresh the markings in our Playgrounds at a discounted rate by Highway Traffic Safety. Not only does it look great but our children can again enjoy the variety of games these markings provide.

Please ensure your child/ren are not coming into school eating crisps and sweets in the morning. These items will be removed from any child caught consuming them, and they will be disposed of. UKS2 are allowed to bring a piece of fruit as a snack during playtime only.

Ms Parker  
Headteacher

## **The Lambeth Music Festival**

On 22<sup>nd</sup> March, Bonneville's Upper and Lower Choir performed onstage at the Lambeth Music Festival, with over 950 other children from Lambeth schools at the Royal Festival Hall. This is one of the largest youth music events in Europe. We celebrate their participation.

Well done!

## Baby Friday

FREE Babies and Toddlers

music session every Friday from 9.00am—9.40am in the Nursery.  
Come along and join the fun!

## Healthy Eating Coffee Morning

Friday 22nd April from 9.15am to 10.15am.

This session is open to all parents with an interest in helping their child/ren develop a healthy diet with positive outcomes for overall health and weight. There will be a presentation from a Healthy Weight Specialist Nurse from Guys and St Thomas' hospital, who will be happy to answer any questions you may have.

## Attendance

Well done to 1C (96.4%) and 5P (96.5%) for the best attendance over the last week!

## Our Value this month is Understanding

### LKS2

On 21st April Year 3 will be inspired into their topic 'Plantastic' by a planting workshop with Groundworks London Projects. Then they are off on a trip to Kew Gardens on Tuesday 17th May.

**Early Years** Due to circumstances beyond our control Sally Rosa, who was working in Nursery and Reception as our additional teacher has moved on in her capacity as an agency member of staff. This term we welcome Ricky Hobson who we hope will continue to work with us until the end of the year, when we wish to appoint a permanent member of staff for September.

### KS1

Year 2 SATs are starting, children must be in school every day, on time and well rested.

On Tuesday 3rd May, year 1 are off to the Museum of Childhood.

Children are not allowed to play with equipment (sports equipment or the climbing frame) before or after school. Parents and Carers must leave the playground straight after collecting children from school. Sitting around, having picnics or letting children play whilst you talk is not permitted. This is a moan we often have to revisit and desperately need your co-operation in this. Having to ask parents/Carers to leave is an avoidable confrontation.

**UKS2** Homework comes home on a Friday and is due in on a Wednesday. If there is a specific reason why your child has been unable to complete homework, please let his/ her class teacher know. The children are expected to complete homework assignments (including reading 5 times weekly) with adult support at home. Any child that does not complete homework as requested will have to attend homework club in Miss McIntosh's classroom during Wednesday lunchtime.

The children have recently been reminded about expectations for learning and behaviour in and around school. Please support us by reminding your children to uphold school rules.

Year 6 booster classes will resume this term, please ensure your child attends.

### Sport

Congratulation to our basketball for their huge effort and success in the Lambeth Mini Basketball Tournament. Our team made it to the final and were defeated by Granton Primary School.

Congratulations to all the children who competed and Granton for winning!

### Computing at Bonneville!

The children in KS2 welcomed the Google Legends team to school on Tuesday this week. They participated in an exciting assembly (I've never seen so many foam fingers!) and learnt how to be Internet Legends by being safe online. The children should be able to share their understanding with you at home. If you are unsure about your social networking settings, Internet filters or any other aspects of e-safety, please come in to school to speak to Miss McIntosh or Mr Duhon and we will be happy to help.
