

# THE BONNEVILLE BUZZ

**Wednesday 31st January 2018**

Happy New Year!

As you will read, we have had a very busy start to the term with many more events to come. Please visit the schools website and check for letters every Tuesday and Friday.

We have had a number of parents requesting early collection of their children from school. Please note, permission of this nature will not be granted. Ensure all pupil appointments are made out of school hours. The half term holidays is a good time to book check up and routine doctor appointments.

We are please confirm that there have been over 150 applications for 60 Reception places starting September 2018.

Ms A. Parker  
Headteacher

If your not following, your missing out!

**English Speakers Of Other Languages**

**FREE ESOL classes**

**Every Friday afternoon beginning 12th January from 12.30 to 3.00pm, FOR 10 WEEKS.**

The course will enable people to speak English with more confidence, communicate more effectively and help parents better support their children's learning in school. If you are interested, please speak with Ms McAndrew.

**Snapchat Safeguarding Risk!** We have been made aware, by our colleagues in Croydon Local Authority, of a significant concern around the use of the 'Snapchat' social media app to spread inappropriate images of students. Although the alert has been raised from secondary schools, we are keen to remind parents and children of the appropriate use of social media. Please be reminded to regularly check your child/ren's devices which enable internet access and review the interactions your child/ren are having on social media platforms. We regularly visit digital safety practises at school and will continue to remind children of these.

**Bike It!** We welcome Binah from Bike it to Bonneville - she has lots of exciting biking events arranged including a bike it breakfast and The Big Peddle.

If you are interested in free cycle lessons for your child then go to "cycle confident" on the Lambeth website which is offering free lessons for all abilities during the February half term.

## EYFS

Nursery are off to National History Museum on 22nd February to kick off their topic on 'Magnificent Beast'.

Reception will be engaging in their topic 'Superheros' on a trip to Poynders Park 15th March.

**LKS2** To make their learning on The Romans come to real life this term Year 4 children attended their first residential trip to Ufton Court. Spending two nights in a Tudor Mansion in Reading. The children engaged in many Roman themed activities including a re-enactment of a Roman Banquet and ....

This was also a great opportunity for the children to further develop their independence whilst experiencing the climate of outer London life and views.

Children have told me how much they enjoyed learning more about their topic in this way and being away with their friends.

Thank you to all the staff for giving up their extra time to make this learning experience for our children possible.

Adam Byatt, Michelin Star Chef, and owner of Trinity restaurant in Clapham, adopted our school last year running cooking workshops for year 4 children. We are pleased to confirm that Adam is keen to maintain his relationship with our school and will again deliver workshops for year 4 children on cooking. The workshops range from learning about the produce they will be using to developing cooking skills and techniques. We are very excited to be welcoming Adam back to our school.

This term, to invigorate their topic Stone, Bronze, Iron year 3 visited the prehistoric exhibition at The Museum of London.

**Class Assembly- 9.15am**

**3C** Thursday, 8th March

**3H** Friday, 9th March

Can we remind parents and carers to stay out of the enclosed area in the playground during drop off and collection.

**KS1** Year 1 and 2 enjoyed writing week following a crash landing of an alien space ship in the Infant Hall. The children enjoyed writing across a range of genres. Thank you to all parents that attended the exhibition.

Year 1 Children enjoyed showing their parents how place value and calculations are taught at Bonneville at the, well attended, Year 1 Maths Workshop.

Year 2 Maths Workshop is next Thursday 1st February at 9.10am.

On Monday 5th February, to learn about the interior and exterior features of a church, Year 1 will be going on a local visit to The Church of The Holy Spirit.

On Wednesday 7th February, Year 2 will be coming into school dressed as an inspirational person of their choice. Please discuss with your child who they are choosing and why?

An exhibition of the children's topic homework will be held in the KS1 hall on Thursday 8th February from 3.15pm. We are keen to provide our children with an audience to show case their skills and welcome as many parents as possible.

**Class Assembly- 9.15am**

**2C** 13th March, 2R 14th March

**1T** 22nd March, 1H 23rd March

School begins at 8.55am – Late is from and including 9.01am

**UKS2** After school booster classes have begun in year 6. Please ensure your child remembers when they have booster and attend weekly.

As a hook into their new topic this term, year 6 embarked on a 'Survivor Day' on Wimbledon Common. The children spent the day exploring the common and finding out how to use the environment to help them survive in the wild.

On 6th February Year 5 will be off for the day to Lambeth Academy to watch their production of High School Musical.

**Class Assembly- 9.15am**

**6K** Tuesday, 6th March

**6I** Wednesday, 7th March

Please ensure that your child knows when their PE days are and come to school with the correct PE kit. While we have spare, we do not have enough for the number of children who frequently need to borrow kit. Which should only be use for emergencies.

**FAB** Keep an eye out for the list of FAB events coming up this term. Thank you to FAB for all the financial contributions towards the number of trips we are able to do for our children at reduced or no cost to parents. Big collaboration between FAB and school on playground development currently being developed. Keep a look out for more information on this!
