

# THE BONNEVILLE BUZZ

**Friday 2nd March 2018**

What a fun time we have all had this week trudging through the snow. Thank you for your perseverance in getting the children to school.

We have been working hard to establish a means of funding the installation of a MUGA (Multi Use Games Area) in our schools playground. I am pleased to share that we have agreed to work with a company who will fund the installation in an agreement that is mutually beneficial to both parties. The MUGA has been designed to be located in the KS1 playground. We are currently in the process of applying for planning permission and working towards end of Summer holidays to the beginning of the Autumn term completion. You will receive more information as the project develops.

We are excited to be shifting our Parent Consultation bookings to a digital system on Tucasi. Please ensure you received the letter detailing the changes and how you can gain access. Have a lovely weekend.

**World Book Day** Despite the snow world book day was a roaring success. Great effort was made by teachers, parents and pupils to ensure the children were fully inspired by their favourite authors. We were overrun with Gangsta Grannies, Demon Dentists, Where's Wallies and Red Riding Hoods. Well done to all who came dressed up and to everyone who enjoyed the day. Particular congratulations to our KS2 costume competition winners: The Iron Man (Year 3), Billionaire Boy (Year 4), Count Dracula (Year 5) and Gangsta Granny (Year 6). KS1 Alicia Kouadio in year 1 and Immanuel Manning in year 2.

**KS1** Children in KS1 enjoyed reading week, with activities such as the reading challenge, book swap and reading assemblies. Thank you to Jevonte and Latasia (year 6) who have read stories to groups of children every day this week. Unfortunately, due to adverse weather conditions BINGO Night was postponed. Keep an eye out for a new date.

The school is currently working closely with FAB to re-design the back playground. We have received a quote for removal of the blue boards, the laying of artificial grass a reading den and some tree beds. Further FAB fundraising will go towards purchasing equipment chosen by the children. We are working towards the installation of stage 1 over the Summer holidays. I will keep you all informed.
