

THE BONNEVILLE BUZZ

Friday 16th March 2018

Next week Bonneville Infant and Junior Choirs will be performing at the Lambeth music Festival. Families of the performing children should have already received their tickets.

Please note the Spring music concert will be rescheduled from the date advertised (22nd March).

You should have received a letter this week requesting your interest for a Summer Scheme place for your child/ren. If you are interested, please ensure you return the slip by Wednesday 28th March, so we can confirm whether or not it will be run based on the demand.

Please be aware, pupil full day attendance at school is compulsory. I have reminded all staff members to refuse requests for children to be collected early from school, unless for emergency appointments where an appointment card must be provided. Requests to collect your child early from school will be refused.

Thank you for attending the fantastic displays of learning through class assemblies. Well done to all our children for their hard work.

Headteacher

Enrichment Day This week the art team ran an art enrichment day for year 5 and 6 children with a particular strength in art. The children have embarked on a art project to exchange artwork with a school in Madrid based on the theme of London, through the etwinning network. The outcomes of the children's work is truly stunning. We feel very proud of how hard they worked to produce their quality pieces.

Enterprise at Bonneville All year groups have been asked to build a business from an investment of £5 that must be returned to the school. The year groups profit will become the basis of their investment for their Summer project. All profits made will go towards a year group Summer treat, trip or event. This term, the theme is Easter. All year groups will be selling their products at 'The Market Place' during our Easter Bonnet Parade. The more money they make, the more they will have to invest in their Summer project. Good luck all!

KS1 Year 2 went to church to learn about Easter – thanks to Rev Ruth for all her practical activities.

A fantastically well attended event. Thank you for your support and engagement with inspiring our children to be inspired by female icons and the women around them. We also thank Caterlink for supporting the event with a tasty lunch for our visitors. The creativity leaders are working hard to pull together the art work produced at the workshop. We hope to have this on display at our parent consultations on 27th and 28th March.
