

THE BONNEVILLE BUZZ

Friday 8th June 2018

Welcome back! I hope you all enjoyed the Half Term break.

On Tuesday 5th June we hosted a community meeting to further consult on our schools MUGA project. It was fantastic to see so many local residents and parents turn up to air their views on our planning application. We were thrilled to hear that despite in opposition to our project, most residents were firmly in favour of the implementation of the facility for our children. We will continue to engage with the local residents and keep you informed.

Please ensure you are seeking appointments outside of school hours. Children will not be granted permission to leave school early for medical appointments.

GDPR (General Data Protection Regulations)- You may be aware that from the end of May, the rules around data protection have been updated. The GDPR will change how we can use your personal data and keep it safe, and will strengthened your rights over your own data. Whilst it is similar to the old Data Protection Act in many ways, there are a few differences, so we have made a few changes at school in order to remain compliant. Some of these changes involve updating our privacy notice, which outlines which data we hold, why we hold it and who we share it with. This can be found on the schools website. Please look out for letters re-seeking your consent for using videos and photographs of your children.

Ms A. Parker
Headteacher

SHOW YOU CARE!

PLEASE STOP PARKING IN
THE MIDDLE OF THE ROAD
WHEN DROPPING CHILDREN
OFF IN THE MORNING AND
COLLECTING AFTER SCHOOL.

Bring a Male to School Day 9.30am-11am in the downstairs hall- Y4-6 children will be meeting and talking to a range of male visitors from our school community about the different jobs/ professions that they do. Pupils will have an opportunity to interview the adults and ask questions about their jobs and how they got to where they are today. This will hopefully inspire many of our children to think about career options in the future.

2.30-3.30pm in KS1 hall, there will be a workshop for all Dad's/ male carers to work on a giant piece of artwork which will go on display in school focusing on 'Aspirations for the Future'. Children will be making cakes/ snacks for the event and refreshments will also be provided. Parents will be able to collect children from class from 2.30pm onwards to work on the project.

Sport This week children in Key Stage One performed exceptionally well at the Yr2 Athletics competition held at La Retrait. Well done to all the children who took part and our race Winners.

Next week is the yr 3/4 Football competition.

Good Luck team!

Please remember Sports Day, for year 2 upwards, will be at Tooting Rec on Tuesday 2nd July.

Alice in Wonderland Thank you to MandM Theatrical Productions for their performance of Alice in Wonderland. All children across the school enjoyed the show. Year 5 had fun in the workshops learning more about behind the scenes from stage set up to lighting.

The Chickens have landed!

As part of our outdoor learning curriculum, through Forest School, we are happy to welcome chickens to Bonneville. The children had the experience of waiting and watching 10 eggs hatch in an incubator. Reception children then chose 5 chicks to join our Bonneville Family.

Raffle tickets have been given out in book bags!

LKS2 Year 4 enjoyed their visit to the CLC where the children learnt how to use technology to analyse air pollution. They also learnt how to create infographics and present data in engaging ways, which supports their Saving Our World topic.

The children took part in a skateboarding assembly, lead by the team from Skates and Ladders. They learnt about the parts of a skateboard and some of them had the opportunity to have a go - a good time

Friends Association of Bonneville

Thanks to FAB and all your donations through the work they do, the transformation of our back playground will begin this Summer. We are very excited to see the developments when we return in September.

Please support FAB to continue supporting the school- We thank you for your financial contributions and the collective voluntary effort.

Quiz Night 14th June, Summer Fair 23rd June
