

Sports Day 2018

Sports Day!

Well done to all the children for taking part in Sport Day this year. Congratulations to our overall winners in KS2, The Red Robbins Team. Well done to our parent winners, female parent race Natalie and Ellie, male parent race Jamie's Dad and returning winner Akeem. Thank you for the tremendous turn out of parents and all the effort from staff who made it a truly fantastic Sports Day.

Music This term our choirs have been busy performing at a whole host of events including the Abbeville Fete, which was very well attended. We also hosted a Music Festival in the back playground. The Infant, Junior and Mass Choirs enjoyed the opportunity performing to parents and Carers. Thank you to all parents for being audiences for the class orchestra shows, giving our children even more opportunities to perform their learning.

Creativity Week This term the entire school spent a full week indulging in 'The Arts'. Every year groups visited an Art Gallery, learnt about the history and styles of various artists and were inspired to create their own pieces of art. The Art Exhibition at the end of the week was a tremendous success. Thank you to Ms Napier and Ms Boyle for making this possible.

Attendance Winners

2C with 96.5%
3C with 99.3%
Well done!

Friends Association of Bonneville We are very lucky to have such an active group of parents who, term by term, volunteer their commitment to not only raising much needed funds for our school, but also host events that helps to cement our community. Some of our favourite whole school events and school enhancements just couldn't happen with the work of FAB. Children annually enjoy cheaper and/or free trips due to funds raised. The start of our back playground transformation, commencing this Summer, is also able to happen from the money you all spend at FAB fundraising events. Thank you so much for your support !

THE BONNEVILLE BUZZ

Friday 20th July 2018

The end of another academic year! Our children have flourished this year from new experiences and the delivery of a broader and richer curriculum that has improved their outcomes significantly. Whole school curriculum events have received high engagement from children and been particularly well attended by families and our local community.

I am feeling particularly proud of our children this year who have achieved phenomenal standards in their end of Key Stage assessments. Based on unofficial early analysis, I can report that at the end of all Key Stages, our children have exceeded their counterparts, in all areas, against Lambeth and Nationally. This includes the percentage of children exceeding in all areas.

Congratulations and well done to our children and thank you to all staff who have supported and taught these cohorts. We send our best wishes to year 6 bidding them farewell as they embark on the next stage of their lives. They have been an amazing cohort of children and outstanding role models. We

will all miss you!

We say goodbye to all of our leaving staff members, including Ms Mc Andrew our HLTA for Outreach who has committed four years service to our Bonneville community and Ms Heffernan who is returning home, back to Ireland. We thank you so much for all your hard work.

Finally, have a restful, enjoyable and safe holiday. I look forward to seeing you all at the gate on Monday 3rd September, one academic year older, at 8.55am.

Ms A. Parker
Headteacher

Bonneville's Visit to The Houses of Parliament

Mr Connelly and Miss Napier took a group of Y4 and Y5 children to visit the Houses of Parliament a few weeks ago. The children enjoyed a guided tour around the building and managed to witness debates in both the House of Commons and House of Lords. Pupils also took part in a workshop where they were encouraged to debate ideas around voting rights. Hopefully it will encourage some of our children to think of a future life in politics!

Improving their verbal competency

Speaking to your child regularly will ensure that they are continually absorbing a wealth of language, and parental modelling may mean that they improve their grasp of sentence structures. If children regularly express their views to their parents, this can translate to a better ability to present their ideas in a classroom context.

EYFS This term Nursery children enjoyed learning about the Hindu Spring Festival Holi, also known as 'The Festival of Colours'.
Well done to all Reception and Year 1 children for competing in this years sports day. Thank you to the staff for planning such a vast variety of activities for the children in order for them to have a fun day. Thank you to all parents for attending, especially those that attempted the obstacle course!

Bring a Male to School Day Thank you to all the men who joined us to celebrate Fathers Day and the various roles men play within our community. A big thank you to all those who inspired our children by sharing their professions, experiences and journey's, including Chuka Umanna.

KS1
Year 1 had lots of fun on their trip to Brighton Beach. They experienced first hand the sounds, sights and smells of the sea. The children also enjoyed touching the starfish at the Sealife centre. Thank you to those parents who came along to support the trip.
Year 2 enjoyed their scooter training sessions this term as they continue to develop their sustainable travel and road safety awareness.
This year was Year 2 first trip to Tooting Athletics Grounds for Sports day. They were challenged by competing on a grand stage and they all managed fantastically well.

Science Week

Please remember Summer Scheme is only open for children already booked in, paid and received confirmation. We are not registering more children during the holidays.

- Your New Class Teacher**
- Ms Fecak- Nursery
 - Ms Neale- New Class
 - Ms Walker- New Class
 - Ms Carpenter- RF
 - Ms Gibbons- RN
 - Ms Cramer- 1H
 - Ms Henderson- 1T
 - Ms Corbett- 2C
 - Ms Fahey- 2R
 - Ms Harris- 3H
 - Ms Beeckmans- 3C
 - Ms Hendricks- 4B
 - Ms Napier- 4N
 - Ms Griffiths- 5H
 - Ms Kirk- 5S

UKS2 It has been a busy half term in UKS2. Year 5 have been completing their Microsociety topic, which incorporates maths, art and enterprise learning. Year 6 have been busy writing and performing plays. One of these was performed by professional actors at St Martin's Theatre and the other was performed by the children at Bonneville. As well as this, year 6 have been participating in their summer activity days. Thank you to all who came to the Blackland Farm meeting last week. Full payment is now overdue and needs to be paid ASAP. If you haven't yet agreed for your child to come, but would like them to attend, it is not too late to do so. Please see Miss McIntosh for further information.

Clubs return Monday 24th September

School Meal
The school office needs to be notified in writing at the beginning of every term about your child's meal preferences, either packed or school lunch.

Dates for the diary

Start of Term
Monday 3rd September at 8.55am

Half Term
Monday 22nd to Friday 26th October

INSET Day
Monday 29th October

Pupil Photographs
Thursday 5th November

INSET Day
Thursday 20th December

INSET Day
Friday 21st December

Please keep an eye on our website. School information will continue to be updated over the Summer Holidays.
