

THE BONNEVILLE BUZZ

Friday 9th November 2018

Despite our phenomenal outcomes in Maths (progress in line with the top 5% of schools in the country), working with the Maths Hub, we have begun to further improve our teaching in this area through the Maths Mastery approach. We want our children to be confident, competent and fluent mathematicians, in readiness for a world that will heavily depend on such skills. This approach will enhance our current offer, supporting pupils skills fit for the future. Please keep an eye out for workshops on Maths Mastery.

Thank you to all parents/carers who attended parent consultations. If you were unable to attend, please ensure you speak with your child/children's class teacher to make an alternative appointment.

If you have some spare time, we would welcome the support of volunteer parent and community readers. If you are available please leave your name and a contact number with the Administrative Team and a staff member will get back to you.

On Friday 16th November we will be taking part in the annual 'Children in Need' fundraising event. At a donation of £1 per pupil, children can opt to wear a spotty outfit for the day. The money we raise will go towards helping children across the UK who need that extra support.

The staff team here work incredibly hard, often going the extra mile to ensure the needs of our children come first and supporting the smooth running of the school. Thank you all so much, I fully appreciate your commitment to our school and all the hard work that you do for our community. I feel fortunate to have such an amazing team to work with!

Ms A. Parker
Headteacher

November value is Simplicity

Anti-Bullying Week 2018

Next week is Anti-Bullying week 2018. The theme this year is 'Choose Respect'. We will be running a range of workshops and activities to help the children develop their friendships skills and further improve their understanding and empathy towards one another.

On Monday the 12th 'Odd Socks Day'. We adults to wear odd socks and differences. There is just use some brightly you already have- the

November we are having an would like all children and to celebrate our individuality no need to buy new socks, coloured or patterned socks brighter and sillier the better!

World War 1 Centenary

11th November Remembrance Sunday

LKS2 Please remember our year 4 residential trip to Ufton Court is 16th - 18 January. If you are unclear about the costing or need to make a payment schedule please see Ms Hughes for further information. Deposits must be paid before Friday 23 November.

In year 3 and 4, there have been some fantastic pieces of homework coming in - great models as well as drawings for science and topic work. Thank you for supporting your children with these achievements.

Year 3's local walk to the library was hugely successful with the children being really engaged in the learning about land use in our local area. The children were full of fantastic information and knowledge about our local area.

Please, Please, Please!

All parents of year 3 and 4 children it is imperative that you stay off the 'Meadow' (grassed area) in the mornings as the children are trying SO hard to line up 'ready to learn'. Please say good bye to your children before they line up as these interactions can be distracting and spoil the classes team effort for having the best line.

Class Assembly- 9.15am to 9.35am, November

4B Tuesday, 27th 4H Wednesday, 28th

Year 3 Christmas Play, Tuesday 18th December

Sport Update! Last week Bonneville entered the Lambeth Tag Rugby competition and come out victorious with a clean sweep of wins in all matches, sailing us through to the final. We are incredibly proud of our very talented year 5/6 tag rugby team who represented our school spectacularly, through talent, skill and great sportsmanship. Thank you to Mr Wright for the coaching, support, encouragement and guidance you show our children through sport.

Good luck on the next round of the competition, November 14th!

Year 5/6 Tag Rugby Team

Rudy Shahini, Malachi Nicholls, Elijah Pinder, Bineam, Ilyas Khair

Amali Adams, Leila Sarshar, Angel Macauley, Amari Aghedo

Max Richards, Arren Wasdell

Coming Up...

Yr 3, 4, 5, 6 Mixed Football Tournament November 9th

Last Week Attendance Winners

KS1- Class 1G 95.8% KS2 Class 5N 100%

Congratulations and Well done!

UKS2 Year 5 went on a trip to the Imperial War Museum. They were lucky enough to see the incredible poppy display which was a cascade comprising of several thousand handmade ceramic poppies appearing to flow out of the building. The children thought about words they would use to describe this piece of art work and how it made them feel. Once inside, a volunteer told the children some incredible information about some of the WW1 machinery.

Year 5 also got the chance to put all of their learning about animals into action when they visited the Natural History Museum. They saw the skeletons of hundreds of animals, of all shapes and sizes, and were amazed by the Victorian taxidermy! Seeing the size of a blue whale up close was a real highlight!

Next week year 5 will embark on cycle training.

Year 6 are now learning about Route 66 and The Americas. We look forward to sharing our learning with you at our class assemblies next week.

Class Assembly- 9.15am to 9.35am, November

6K Tuesday, 13th 6G Wednesday, 14th

5N Tuesday, 20th 5H Friday, 23rd

We still need your Lego

Request for pre-loved Lego!

We desperately need any unwanted pieces of Lego to help develop our children's communication, concentration and fine motor skills, through Lego Therapy. Please leave donations at the office for Mr Connelly's attention. Thank you

Phil the bag Please remember to bag up your unwanted clothes, bags, belts, shoes, trainers, bedding and or curtains and pop them into the red wheelie bin at the front of the school. Your unwanted items are recycled. The more we donate, the more money we make!

KS1 Phonics workshops Wednesday 14 and Thursday 15th November in the KS1 Hall, 9.15 to 10am.

Christmas Play, Wednesday 12th December

EYFS Thank you to all parents/carers for attending the Maths workshop this week. We hope you found it useful in being able to incorporate learning through play and real life at home. If you were unable to make a parent consultation appointment this week, please discuss an alternative appointment with your child's class teacher.

On Friday 14th December Nursery and Reception children are off to the theatre to watch Stickman.

Christmas Play, Thursday 13th December

FAB Thank you everyone who attended our BINGO Night hosted by FAB. Thank you to the team of parents and friends for setting up this fundraising event.

Winter Fair Sunday, 9th December 2018, 12pm to 3pm
