

THE BONNEVILLE BUZZ

Wednesday 27th March 2019

What an incredibly busy term this has been!

Thank you to everyone who has attended workshops, spent money in our school events, attended class assemblies, supported trips and school events, been secret and volunteer readers for our children. Our community togetherness is really helping our children to thrive in an environment where happiness and enjoyment is enabling our children to learn.

We are still ploughing ahead with the installation of the MUGA. Surveys are being conducted and a new planning application is being put together.

We will be sending out a 'Parent Survey' to be completed digitally between 1st & 12th of April. Collecting your views forms an important part of school improvement. Once collated we will be sharing the outcomes with you.

Easter scheme will be running over the holidays for families who have paid and confirmed a booking. If you still need a place, please speak with the administrative team whilst there are still places available.

Ms A. Parker
Headteacher

Dates for the diary

FAB Movie Night

Thursday 28th March

Year 4/5 Easter Play

Monday 1st April, 2pm

The Big Pedal

Monday 25th March - Friday 5th April

Parent Consultations

Tuesday 2nd - Wednesday 3rd April

Enterprise Day This term our Enterprise theme was 'Bonneville High Street'. Each year group borrowed £10 from the school to invest in a lucrative business of their choice. Sales took place at the high street on 21st March where the vast majority of year groups made a profit of between £10 & £60. Next term the children will choose to invest a proportion of their profit in our Summer Term Enterprise event. By the end of the year all funds raised will pay for a trip or event of the children's choice. The more money they make the greater the choice. Pupil engagement, involvement and enjoyment in our enterprise themes are really high. Congratulations to EYFS who are in lead with a whopping £156.86 in profit. Thank you to Ms Neale for leading our enterprise themes and making it all happen. It was a hugely successful event and memorable learning experience for the children.

Science Week During Science Week the children enjoyed becoming scientists investigating the process and impact of scientific journeys through nature, electricity and through Earth and beyond. They also engaged in working scientifically through a series of skill based STEM (science, technology, engineering and maths) challenges to build bridges, towers, boats and paper chains.

National Skipping Day was on Friday 22nd March where our children attempted to make 1000 skips each. Well done to all of our children for trying so incredibly hard. Congratulations to the children who managed 1000 and above skips. In total we managed 45,000 skips across the school. Well done Bonneville! We will be submitting our number of skips to the Skipping Workshops who organise this National event. Thank you to Ms Kirk for organising the event at our school.

Female Appreciation Day

Tuesday 2nd April

Children can invite a female to join them in our workshop from 3pm to 4pm where they will be able to make a memento to show appreciation.

This will be held in the KS1 hall

World Book Day We had fun dressing as our favourite book characters for world book day this term.

KS1 Well done to all the children who tried so hard with there reading during 'Reading Week'. Lots of children read a lot of books for pleasure. Congratulations to Class 1G and 2C for coming joint first place in our reading challenge. Ms Parker was delighted to perform the story of 'How Anansi Tries to Steal all the Wisdom of the World'.

The escaped dragon inspired and enthused the children to write during 'Writing Week'.

Author Paul Geraghty performed an illustration through story-telling assembly to KS1 this week.

Comic Relief This year for Comic Relief we hosted a wear something red and silly day. We fund raised for charity by embarking on a 'Keepy Uppy' challenge that you all sponsored our children to do. Thank you for your sponsors, to Ms Hendricks for organising the event and our Sport Leaders for keeping scores and supporting children to complete their challenge.

Reception Children

Attendance Winners

KS2- 4J 99.3%, KS1- 2H, 96.9%

Bonneville Parking Officers We are soon to be introducing Bonneville Parking Officers (BPOs). Our BPO's will be patrolling outside school to highlight unsafe and environmentally harmful parking practices, in an attempt to create a safer more thoughtful and community aware space around our school at drop off and pick up times. Our newly appointed BPOs will begin patrolling Bonneville Gardens next term.

EYFS Next term Nursery children will be learning all about 'Traditional Tales' with 'Little Red Riding Hood' being their first focus. With this in mind Nursery children will be inviting Grandparents in to read stories and sing song with children. This term Reception children had a blast on their trip to London Zoo when learning all about 'Magnificent Beasts'. Thank you to all our parents who came along and supported our children on the trip.

UKS2

Year 5 have just been on a trip to the Science Museum. They had an exciting workshop about Forces from a scientist and learnt about Newton's Laws. They were also able to explore the Space Exhibition and loved the huge rotating sphere which represented the Earth.

LKS2 To make their learning This term, to invigorate their topic Stone, Bronze, Iron year 3 visited the prehistoric exhibition at The Museum of London.

Our March value is Caring

FAB Thank you to everyone who attended to Valentines Day Quiz night. It was lovely to have new and unfamiliar faces to our school events.

Please remember to purchase your ticket at the office for Movie Night tomorrow.

If you would like to make a donation to the school please visit
