

THE BONNEVILLE BUZZ

Tuesday 24th April 2019

Welcome back!

Last term we said good bye to four members of staff. Mr McIntosh, has worked as our schools Higher Level Teaching Assistant for IT for up to 2 years. He has moved on to work more closely in his family run 'Dog Grooming' company. Ms Hector, worked as an Inclusion Teaching Assistant for two terms, providing 1 to 1 support to some of our children across the school. Ms Hector has taken up a permanent role supporting adults with SEND. Mr Johnson, was a year 4 Class Teacher. He has moved on to continue his NQT training in a permanent position. We thank them all for their hard work and wish them well for the future.

Ms Parker, who worked as an Administrative Assistant for 2 years, has welcomed a new baby girl into the world called Lexie. Congratulations!

This term we welcome two new staff members. Punam Shah, Administrative Finance Officer and Alice Wilden, an experienced Teacher for Year 4. Both have already settle in. Welcome to Bonneville!

As previously distributed to you, Friday 3rd May is INSET day. There will be no school on that day.

This week we were notified of upcoming elections. Unavoidably, Bonneville Primary School will be used as a Polling Station on 23rd May. Due to the short notice, we will NOT be closing the school to the children. All Key Stage One classes will decant into other classroom spaces in the main building for the day. The Key Stage One part of the school will be used as the polling station only. This includes the driving entrance which the local public will use to access the hall for voting. There will be no access from the Key Stage One building into the main building throughout the day.

Ms A. Parker

Headteacher

Dates for the diary

'The Bonneville Prime' Launch at Camile

Friday 26th April

Bonneville and Camile Thai

Camile Thai is Clapham's neighbourhood healthy Thai restaurant & takeaway. They like to bridge that gap between healthy food choices and takeaway treats, and they want to create a special experience for their community. Bonneville will be working with them in a couple of ways we are really excited about. Firstly, we have created a curry dish with Camile where 100% of its profits will go towards the school. The dish, '**The Bonneville Prime**,' will be revealed and introduced at a celebratory launch party on **Friday 26th April at 5 PM**, in the restaurant on Abbeville road. Come by and celebrate the creation of our dish with the local community and some tasty Thai bites. This includes 20% off some main meals and free beer, wine and lemonade.

Over the course of next year, Bonneville children have been invited to Camile Thai's healthy kitchen to learn more about the Thai culture and cooking process. Be sure to ask your children to help with dinner when they get home - they're sure to become real experts!

I look forward to seeing you all at our Launch event this Friday @ 5pm

Going above and beyond!

Please be reminded, all after school club activities, including the Carry on Café, are not compulsory school functions. We are not obliged to run clubs and certainly not a child care facility up to 6pm. It has come to my attention that interactions from parents to our administrative team have been overly demanding and, on occasion, wholly inappropriate. We work hard to have this provision and make it work because we want to accommodate family life in the best interest of our children, in a setting where they can feel safe and is familiar to them. However, the operation of this work must not distract from the main day to day running of the school. The processes and the rules we put in place stop this from happening. Therefore, it is vitally important that these expectations are adhered to. Requests that seem simple to you, have an incredible knock on effect that you may not envisage, also making the system unfair to others. Please ensure you make the correct booking, at the right time as repeated adaptations and changes will not be accommodated.

We enable the choice of one free club for each child across the school. This is quite unique in comparison to other schools. This is a challenge to not only achieve but also to manage. I would like to thank our administrative team for the substantial coordination of all our extended services and for accommodating a service that goes above and beyond!

Clubs Return Monday 29th April

Bonneville Parking Officers

We are soon to be introducing Bonneville Parking Officers (BPOs). Our BPO's will be patrolling outside school to highlight unsafe and environmentally harmful parking practices, in an attempt to create a safer more thoughtful and community aware space around our school at drop off and pick up times.

**Please ensure children are in school,
well rested, everyday.**

**To ensure they have everything they need
for the school day, check your class
timetable.**

Topics this term...

Nursery– Ready, Steady Grow

Reception– Ready, Steady Grow

Year 1– Toys

Year 2– Location, Location, Location

Year 3– Plantastic

Year 4– Save our World

Year 5- Water Water Everywhere
